**RE: 2022-2023, 2023-2024 Asian American Native Hawaiian Pacific Islander Student Achievement Program (AANHPI SAP)**

Dear Governor Newsom:

On behalf of the Board of Governors for the California Community Colleges, I am pleased to present to you an update regarding the Asian American Native Hawaiian Pacific Islander Student Achievement Program (AANHPI SAP). Educational Code section 79511 requires the California Community Colleges Chancellor's Office to prepare and submit a report each year on the AANHPI SAP claimed by each community college district for those colleges receiving the grant.

The AANHPI SAP is in its first year of implementation, with 50 participating colleges. Prior to full implantation 2022-2023 funding year, 43 colleges received allocations late June of 2023. In this report, the California Community Colleges Chancellor's Office describes the AANHPI SAP Funding formula used to identify participating colleges, purpose of funds, spending guidelines, and list of colleges receiving funds for both 2022-2023 and 2023-2024.

Vice Chancellor for Educational Services and Support Rebecca Ruan- O'Shaughnessy may be contacted for questions and comments. She can be reached at 916.323.6894 or [rrun-oshaughnessy@cccco.edu](mailto:rrun-oshaughnessy@cccco.edu)

Thank you for your interest in these programs and the students they serve.

Sincerely,

A handwritten signature in black ink that reads "Sonya Christian".

Sonya Christian, Chancellor

# ASIAN AMERICAN, NATIVE HAWAIIAN, AND PACIFIC ISLANDER STUDENT ACHIEVEMENT PROGRAM (AANHPI SAP)

## 2023-24 TOTAL ALLOCATION

\$6,480,000

[Assembly Bill 183](#) appropriates \$8 million in on-going funding to the California Community Colleges (CCC) to provide culturally responsive services to enhance student educational experiences and promote higher education success for low- income, underserved, and first generation Asian American Native Hawaiian Pacific Islander (AANHPI) students and other underrepresented students. Per [Ed. Code § 79511\(c\)](#), to be eligible for the AANHPI Student Achievement Program, a college must:

- Be eligible for the Asian American and Native Pacific Islander-Serving Institution program authorized under the federal Higher Education Act
- Have experience providing student support services to AANHPI students and other underserved students.
- Have program staff that will coordinate with campus faculty and staff to effectively deliver support services to AANHPI students.

The statute also mandates that the Chancellor’s Office shall, in consultation with the California Commission on Asian and Pacific Islander American Affairs (CAPIAA), select and contract with “a statewide central office at a nonprofit organization” to support colleges in implementing grant requirements. [Ed. Code §79511\(b\)\(1\)](#) The Chancellor’s Office has selected the Foundation for California Community Colleges to be our partner nonprofit organization in setting up the Central Office for the AANHPI Student Achievement Program.

## 2023-24 FUNDING FORMULA

Each of the 50 eligible colleges will receive an equal amount of \$129,600 resulting in a statewide total allocation of \$6,480,000. The 50 colleges identified to receive 2023-2024 funding, are colleges who have been identified eligible for Asian American and Native American Pacific Islander- serving institutions funding by the Department of Education.

## PURPOSE OF FUNDS

The Asian American Native Hawaiian Pacific Islander Student Achievement Program (AANHPI SAP) offers an opportunity to develop integrated, culturally responsive student support services and curriculum to promote wellness and academic success of underserved AANHPI and other historically marginalized student populations. Funding is provided to support culturally responsive services to enhance student educational experiences and promote higher education success for low- income, underserved, and first generation Asian American Native Hawaiian Pacific Islander (AANHPI) students and other underrepresented students. In

compliance with statutory requirements, the Foundation for California Community Colleges (FCCC) continues to serve as the nonprofit organization running the Central Office for the AANHPI Student Achievement Program.

## 2023-24 SPENDING GUIDELINES

Expenditures of AANHPI SAP program funds should be consistent with the goals and activities of the program and colleges are urged to document expenditure plans and justification. Prohibited expenditures include gifts, stipends for students, political contributions, course delivery, and supplanting of other general or categorical funds for similar program activities in place prior to availability of AANHPI funds. AANHPI SAP expenditures should be consistent with the guidance provided for the [Student Equity and Achievement Program. Please see Student Equity and Achievement \(SEA\) Program Expenditure Guidelines](#) for additional guidance.
