College Finance & Facilities Planning

Subject: April 15, 2005 Allocation of the 2004-05 Education Revenue  
Augmentation Fund for Community College Districts

Synopsis: The attached table provides the estimated allocations of the Education Revenue Augmentation Fund (ERAF) for community college districts, pursuant to Revenue and Taxation Code Section 97.3 (d) (3).

The ERAF funds were allocated to community college districts in inverse proportion to the amount of local property tax revenue per funded full-time equivalent student (FTES) of the district. The district with the lowest property tax revenue per FTES received the first allocation of revenue from the county's fund until that district achieved the revenue per FTES of the next lowest district within the county. This procedure continued until all revenue was distributed from the fund. No funds have been distributed to a district that is an excess tax school entity. **In the event a county determines there is excess ERAF above the allocation schedule provided, the county auditor shall distribute the excess in the same proportion as identified in this allocation schedule.**

These allocations are based on the best information available at this time.

Action/Date Requested: Please make allocations of ERAF funds to community college districts in accordance with the attached table.
