Issue

This item presents recommendations for the 2010 State Legislative Program and adoption by the Board of Governors.

Background

The Chancellor's Office solicited legislative proposals that were presented to a Consultation Council Task Force for review to develop a State and Federal Legislative Program. The Consultation Council received recommendations by the Task Force at the October 2009 meeting. The attachment includes staff recommendations and brief descriptions of proposals recommended for inclusion in the 2010 program. If approved by the Board for sponsorship, the Chancellor's Office would seek authors for the following legislative proposals:

- CCC Assess
- Streamlining Reports
- Federal Veteran's Earmark
