## Issue

This item presents for discussion the 2008 Strategic Plan Implementation Schedule.

## Background

The Strategic Plan was adopted in January 2006. Since that time, we have been working on implementing a number of "priority" strategies through various "Action Planning Groups" (APG). We have developed a schedule for completion or progress on those initiatives.

The attached 2008 Strategic Plan Implementation Schedule addresses those strategies that were not included in the original group of priority strategies. We recognize that the State budget deficit puts pressure on our ability to meet the aggressive Strategic Plan goals, but it is important that we maintain a strong effort.

All of the documents referred to here can be viewed on the Strategic Plan website in the February 2008 Strategic Plan Update under Announcements and Updates.

## Recommendation

The Council will be asked to comment on the Schedule and to offer suggestions on how the Consultation Council can support the Strategic Plan.
