Federal Stimulus Matrix- DRAFT**

State Fiscal Stabilization Fund (SFSF)								
Federal Funding Agency	Program	Amt. Available CA	Timeline	Application Details	Chancellor's Office (CO) Involvement	Local colleges actively pursuing this funding	Local colleges considering pursuing this funding	Award Results
Department of Education (USDE)	State Fiscal Stabilization Fund (SFSF)	\$4.9 billion for K-12 and higher education, \$130 million estimated for CCC	\$2.5 billion was distributed to K-12. CSU and UC. USDE will award second portion of SFSF in Fall 2009	Governor's office will submit application to USDE for second phase funds.	CCC to receive an estimated \$130 million of second phase funding to backfill state funding cuts.	N/A	N/A	Unknown at this time
Grant Opportunities being pursued by California Community Colleges								
Federal Funding Agency	Program	Amt. Available CA	Timeline	Application Details	Chancellor's Office Involvement	Local colleges actively pursuing this funding	Local colleges considering pursuing this funding	Award Results
Dept. of Agriculture Rural Utilities Service (USDA)	Distance Learning & Telemedicine	\$3 billion in grants and loans nationwide	Application period is July 14-August 14, 2009	Support broadband deployment and adoption in under served and underserved areas of the state	The CO TRIS Division is working with CENIC, the State CIO's Office and others to develop and support a California application in eligible areas.	Riverside City College, Butte College	State Center CCD	Unknown at this time
Natl. Telecommunications and Info. Admin. (Dept. of Commerce)	Broadband Technology Opportunity Program	\$4.2 billion in grants nationwide	Application period is July 14-August 20, 2009	Support broadband deployment and adoption in under served and underserved areas of the state. Funds will be available for broadband deployment, public access computing and innovative education programs.	The CO TRIS Division and the CO Student Services Division are working with CENIC, the State CIO's Office and others are applying for a federal grant to extend broadband in 11 northern CA counties that will create better connectivity for several colleges. Cost of project over \$200 million.	Riverside City College, Butte College, Imperial Valley College	State Center CCD	Unknown at this time
USDE	"Race to the Top" innovative programs focusing on student achievement.	\$5 billion to states for proposals through application process. CA generally receives 10% of federal monies.	USDE issued guidance for application on July 24. Applications will be accepted in late 2009.	Governor's Office will apply with a statewide proposal to USDE. The Governor's OSE has stipulated that California will submit an intersegmental grant proposal.	The CO SS Division is collaborating with the CO ITRIS Division/Butte Tech Center to developing a proposal to showcase innovative intersegmental programs (K-12,CCC,CSU,UC). COSS to meet with OSE to propose CCC involvement in any Governor proposal.	El Camino College, West Hills CCD, College of the Canyons, Mt. San Jacinto College	College of Siskiyou, Allan Hancock College	Unknown at this time
