## **Board of Governors to Allocate More Than \$200 Million For Nursing, Career Education and Economic Development Programs at November 3 Meeting**

**SACRAMENTO** – The Board of Governors (BOG) of the California Community Colleges will review plans to distribute \$22 million to support nursing education, \$137 million in federal funds for career technical education and \$47 million to address the State's economic development needs when it meets in Sacramento, on Monday November 3.

The Board meeting, which begins at 9:00 a.m., will be held in the System Office Board Room, located on the third floor of 1102 Q Street, Sacramento, CA 95811-6549.

The BOG will also hear from a panel of college experts and a student about how California's community colleges are serving military veterans. There will also be budgetary, legislative and policy presentations during the one-day meeting and the Board will elect its officers for 2009.

*The California Community Colleges is the largest higher education system in the nation comprised of 72 districts and 110 colleges with more than 2.7 million students per year. Community colleges supply workforce training and basic skills education, prepare students for transfer to four-year institutions and offer opportunities for personal enrichment and lifelong learning. The System Office provides leadership, advocacy and support under the direction of the Board of Governors of the California Community Colleges. For more information about the community colleges, please visit [www.cccco.edu](http://www.cccco.edu)*
