Coordinator, Student Financial Assistance Programs

Subject: Board Financial Assistance Program Student Financial Aid Administration (BFAP-SFAA)
2007-08 Release of Funds/Request for Funds (Form #2)

Synopsis: Enclosed is BFAP Form 2 - Release of Funds/Request for Funds report. This report is much later than usual as a result of the recently granted BFAP-SFAA base and capacity carry-over spending authority for 2007-08.

Colleges are asked to select on the Form 2 report, one of the following three options:

1. The college anticipates spending all of its BFAP-SFAA allocation, including up to seven percent carry-over, before September 30, 2008.
2. The college anticipates spending all of its BFAP-SFAA allocation, including up to seven percent carry-over before September 30, 2008, and would like to request additional funding, contingent on availability.
3. The college **does not** anticipate spending all of its BFAP-SFAA allocation, including the option of a seven percent carry-over, before September 30, 2008, and would like to release funds without penalty.

Please use this opportunity to carefully review your BFAP-SFAA base and capacity allocations, and expenditure plans. The return of anticipated unused funds by filing a timely BFAP Form 2 will have no bearing on your future allocations, and is without any penalty. However, colleges that return funds in excess of one percent of their allocation after the end of the fiscal year will receive a dollar-for-dollar reduction in their BFAP-SFAA allocation in the next scheduled annual allocation period, after the late reporting of unexpended funds occurs.

Any funds returned at this time will be immediately reallocated to colleges requesting additional funds. Any adjustment to your administrative allowance allocation will be reflected in the 2007-2008 Apportionment revision process in P-2 during May, 2008. Colleges returning BFAP-SFAA funds are asked to complete and return this report ASAP.

Date/Action Requested: Please complete one copy of the enclosed form for each college and return it by fax or email no later than May 12, 2008 (with follow up hardcopy mailed) to:
