**1-866-810-7221**  
**Persons who have been offset should call this number above.**

*All the inquirer has to do is key in his SSN and first 4 letters of last name. Our system will then inform the caller which college district submitted their name and a phone number that he/she can call to ask questions. If the SSN and first 4 letters of the last name do not result in information (and the inquirer will be informed if this happens), then the inquirer should key in the SSN and first 4 letters of last name of spouse.*
