Transfer-level Math/English Achievement
1-Year and 2-Year Rates

Background

- There have been multiple requests for the Scorecard to provide more short-term metrics.
  - Colleges and other stakeholder groups
  - Legislative Analyst's Office (various reports)

- The metric reflects the state's focus on basic skills.

- The metric has been has been added to the IEPI Indicator Portal, so a change to the Scorecard will provide some consistency across the two.

CALIFORNIA COMMUNITY COLLEGES

Brief Definition

- Percent of first-time students who complete 6 units and attempt any math OR English in their first year and complete a transfer-level course in math (for the math rate) or English (for the English rate) in their first two years.

- It is calculated separately for:
  - math and English
  - 1-year (first year) and 2-year (second year) rate

- Results in a total of 4 separate rates for each cohort.

Details of the Metric

Denominator: All students who qualify for the Scorecard completion cohort in their first year: First-time students who complete 6 credits and attempt a math or English course in their first year. Exact same cohort is used to calculate the rate for the second year since we do not add students who qualify in the second year.

SB01   STUDENT IDENTIFIER STATUS = S (only students with valid SSN)

SX03   ENROLLMENT-UNITS-EARNED >= 6 at your college and/or anywhere in the CCC system during the first year of enrollment. Units earned include completed courses with grade of A, B, C, D, or P.

Attempted a math or English course during their first year:

CB03   COURSE-TOP-CODE = 1701.00, 1501.00, 1520.00

CB21   COURSE-PRIOR-TO-COLLEGE-LEVEL = A, B, C, D, Y

CALIFORNIA COMMUNITY COLLEGES

Details of the Metric

Numerator: Student with SX04 ENROLLMENT-GRADE = A, B, C, P, IA, IB, IC, or IPP in a course with the following characteristics:
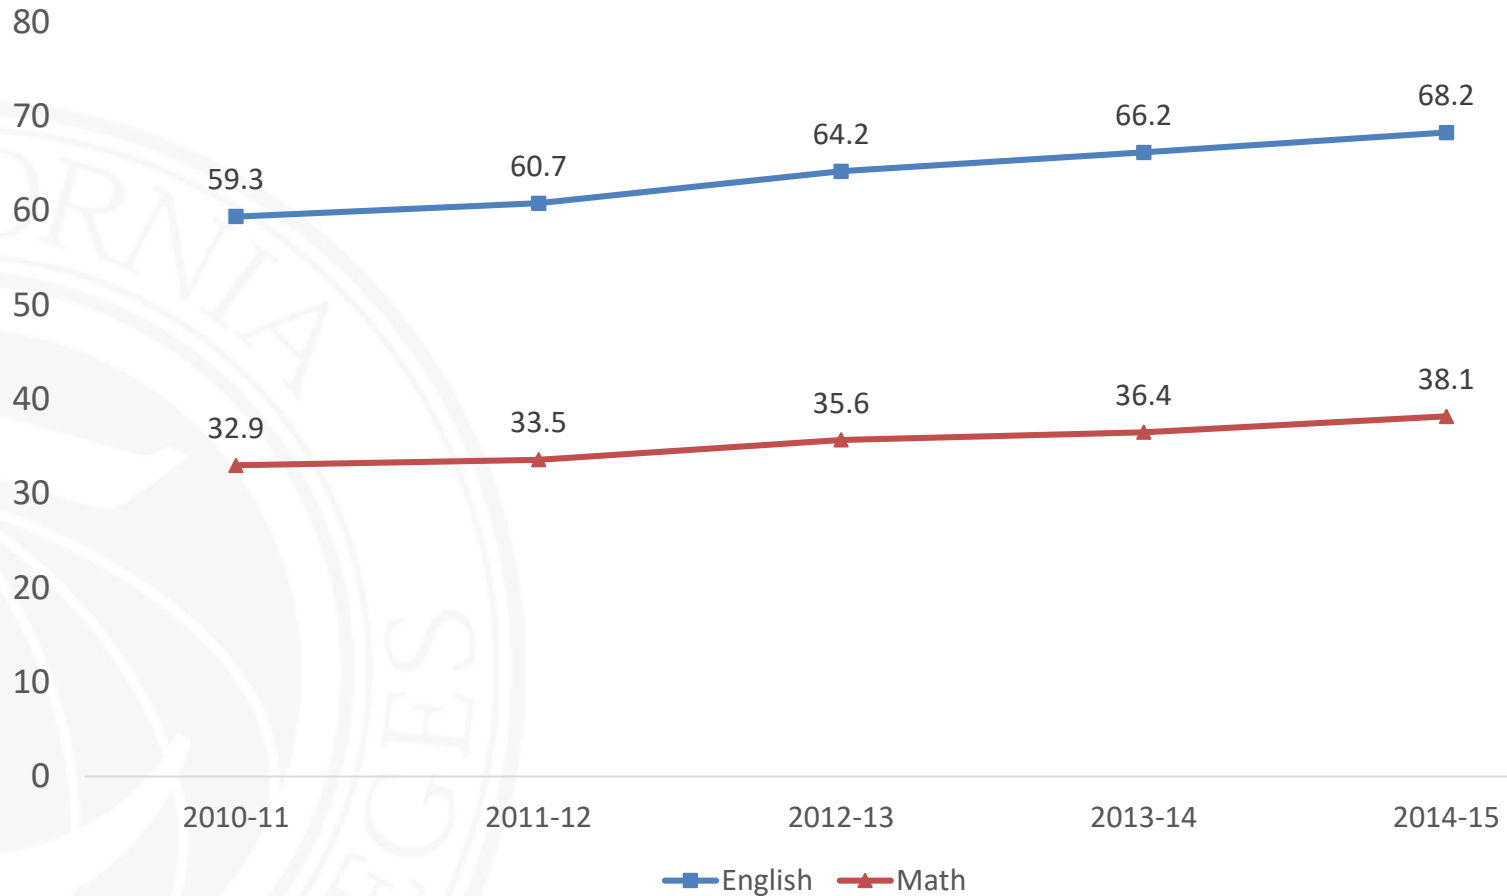

CB05   COURSE-TRANSFER-STATUS = A (transfers to both CSU and UC)

                           AND

CB03   COURSE-TOP-CODE = 1501.00 (English) or 1701.00(math).
