Appendix H (Collaborative Regional Workplan Certification) is being withdrawn from the grant renewal process. It is replaced by a worksheet in Appendix B (Applications Forms), entitled “Workplan Certification” after the “Match” page in the attached workbook.

To certify your participation in the collaborative process, please print and sign this worksheet, and include a PDF of the signed document in your grant renewal application packet.

In addition, a revised Application Checklist is provided that incorporates these changes. This checklist is a tool for allocation recipients to use when completing their renewal application.

Please contact your project monitor within the Chancellor’s Office with any questions. Project monitors for each region are listed in the [Workforce and Economic Development Staff Directory](#).
