RE: Annual Credit Course and Program Certification

This memorandum provides information regarding the Annual Credit Course and Program Certification, which supports the curriculum streamlining process of all credit course proposals, modified credit programs, and local credit programs, with the exception of Associate Degrees for Transfer (ADTs) and new Career Technical Education credit programs. Periodic reviews of the locally approved and certified curriculum will be conducted by the Chancellor’s Office to monitor compliance and data integrity.

Moving forward, the Chancellor’s Office will require each college to submit one certification form signed by the Chief Executive Officer, Chief Instructional Officer, Academic Senate President, and Curriculum Chair and to provide the local governing board policy that defines the standards for credit hour calculations. These documents will be due October of each year to the Chancellor’s Office. A reminder of these requirements will be provided to the colleges September of each year.

The certification form and local governing board policy must be submitted to the Chancellor’s Office no later than 5 pm on October 16, 2018, to the Chancellor’s Office. If these documents are not received by the due date, a manual review of credit course and program proposal submissions will be conducted by the Chancellor's Office until both documents are received.

Throughout the academic year, colleges may request for a technical assistance team--comprised of an Academic Senate member, Chief Instructional Officer, and Chancellor's Office staff--to assist on any curriculum related matter. Please submit these requests to your point of contact at the Chancellor’s Office.

Please contact Jackie Escajeda, Dean in Academic Affairs, at jescajeda@cccco.edu or (916) 327-2066, should you have any questions or concerns.
