

Email the completed waiver to the State Project Manager using the following subject line format:

College Name: Grant# MESA Program Director Waiver.

The MESA program requires a 12-month full-time MESA Program Director (MPD). However, the district has the option to submit a MPD Waiver for approval consideration. The MPD Waiver allows for the appointment of a faculty person (10-11 month contract) as the MPD. Districts with an approved MPD Waiver acknowledge the MPD **responsibilities are not waived and agree to fulfill all required responsibilities of MPD during the entire performance period of the agreement** including but not limited to progress and final reports, program data surveys, and communication with the Chancellor's Office Project Manager.
