CALIFORNIA COMMUNITY COLLEGES

Transfer Model Curriculum Overview

- Transfer Model Curriculum (TMC) developed and vetted intersegmentally (CCC and CSU) is a statewide model for specific disciplines
- Built on the C-ID
- Represents (CCC and CSU) faculty consensus
- Serves as a blueprint to guide local Associate Degree for Transfer (ADT) development
- Provides for some uniformity in CCC System
 - Establishes “Core” requirements for transfer
 - Establishes a transfer pathway to the CSU System
 - Faculty can specify the course options or pass choices on to students

CALIFORNIA COMMUNITY COLLEGES

Local Roles in ADT Development Process

- **Discipline Faculty:** Develop an ADT in a discipline aligned with TMC; and select the best options from TMC.
- **Curriculum Committee:** Facilitates the local approval process through Board of Trustees.
- **Articulation Officer:** Submit courses for C-ID approval and assists departments with articulation questions and securing applicable ASSIST reports.
- **Counselors:** Provide input on major and GE unit requirements and facilitate communication of new degree requirements and benefits to students.
- **Administrators:** Ensure compliance with SB 1440 and Program and Course Approval Handbook (PCAH) 5th Edition – Appendix B; oversee submission of proposal to CCC Chancellor’s Office.

New Program Proposals

General Overview

- All ADT proposals require a Narrative, TMC Template, and applicable ASSIST reports.
- Discipline faculty should consult with Counselors or Articulation Officer regarding the transfer and articulation of degree major courses and consider local CSU's major course requirements when selecting their courses in the optional categories.
- Refer to Program and Course Approval Handbook (PCAH), 5th Edition – Appendix B for specific instructions on application fields, completing narrative, and including appropriate supporting documentation.
- ADT proposals require CCC Chancellor's Office approval prior to implementation.

Development Criteria Narrative

Title

- ✓ Associate in Arts in (*TMC Discipline*) for Transfer Degree
- ✓ Associate in Science in (*TMC Discipline*) for Transfer Degree

Example:

Associate in Arts in Psychology for Transfer Degree
Associate in Science in Physics for Transfer Degree

CALIFORNIA COMMUNITY COLLEGES

Development Criteria Narrative

Item 1. Statement of Program Goals and Objectives

- ✓ Identifies the goals and objectives for the program.
- ✓ Identifies the CSU baccalaureate degree programs for which students will be prepared to enter upon successful completion of the ADT.
- ✓ Stipulates the primary focus of the law, to assist students in a seamless transfer to a CSU to complete a baccalaureate degree in a **TMC discipline** or similar major.
- ✓ May include the program level Student Learning Outcomes (SLOs).
- ✓ If the ADT program goal selected is “**Career Technical Education (CTE) and Transfer**” – include the specific entry-level occupation(s) or field(s) the program will prepare students to enter and the basic occupational competencies students will acquire.

CALIFORNIA COMMUNITY COLLEGES

Development Criteria Narrative

Item 2. Catalog Description

- ✓ Includes an overview of the knowledge and skills students will demonstrate upon completion
- ✓ Includes Associate Degree for Transfer requirements pursuant to SB 1440:
 - Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University.
 - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
 - Obtainment of a minimum grade point average of 2.0.”
 - A grade of “C” or better in all courses required for the major or area of emphasis.
- ✓ If the ADT program goal selected is “**Career Technical Education (CTE) and Transfer**” list the potential entry-level careers students may enter upon completion.

CALIFORNIA COMMUNITY COLLEGES

Development Criteria Narrative

Item 3. Program Requirements (optional)

- ✓ Most colleges include Item 3 because it allows the Chancellor's Office to recognize the requirements/restrictions not easily discernible on the TMC Templates, although it is not required.

TMC Template

- CCCCO Academic Affairs Division staff develops the TMC Templates from the Transfer Model Curriculum approved by Intersegmental Curriculum Workgroups (CCC and CSU).
- TMC Templates (new/revised) are now released twice per year, Feb 1st, and September 1st.
- All courses entered in the Required Core and List A, where a C-ID Descriptor is indicated, must be submitted to C-ID prior to submitting the ADT proposal to the Chancellor's Office and the courses must have an acceptable C-ID status of: Approved, Conditional, Submitted, In Progress, or Re-Submitted.

TMC Template

- ****NOTE:** Prior to June 30, 2015, colleges need to verify that courses entered on CCCCO approved TMC Template, where C-ID descriptors are available, have been awarded C-ID “Approved” status. No other C-ID course status will be accepted. The requirement of C-ID verification applies to courses entered on approved TMC Templates for both new and previously approved ADTs. Effective July 1, 2015, ADTs that do not meet the C-ID verification requirement will be deactivated by the CCCCO, and will need to be resubmitted once courses within the ADT receive an “approved” C-ID status.
- CCCs must use the current CCCCO approved TMC Template. Regenerated/Modified TMC templates are not acceptable.

TMC Template

- Enter the college name where indicated.
- Format/align the C-ID Descriptor with the Course ID, Course Title, Course Units and CSU-GE/IGETC Area Code for each course entered on the TMC template.
- Course ID column - requires the course department number only, no additional text is allowed.
- Course Title column - requires the course title listed on the official course outline of record. 'AND' and 'OR' can be entered between course titles.

CALIFORNIA COMMUNITY COLLEGES

TMC Template

- Unit column – requires the course unit value only, no additional text is allowed.
- CSU-GE/IGETC Area column – requires the complete code for the GE Area the course satisfies only (e.g.. A1, B3, C2, D9, 2A, 3A, 3B, 4J), no additional text is allowed.
- Total Units that may be double-counted field - must not exceed the limit established for the specific GE Area (IGETC or CSU-GE), not the course unit value assigned by the college. (e.g. IGETC: Area 1 = 9 units, Area 4 = 9 units, CSU-GE: Area A = 9 units, Area B = 10 units, etc.).

CALIFORNIA COMMUNITY COLLEGES

TMC Template

- General Education (CSU-GE or IGETC) Units field – requires the minimum GE requirement range of 37-39 units for these GE patterns. CSU allows the maximum number of units for each GE area and the other units to be counted towards transferable electives up until the transferable unit cap is reached. Any additional units beyond the minimum requirement must be included in the Elective (CSU Transferable) Units field of the TMC template. The total degree units cannot exceed 60 units.
- No ASSIST report is required to validate courses entered where a C-ID Descriptor is indicated.
- Ensure all courses entered on TMC Template are included in **Course Report** and the **Course Outline of Records** are attached.

ASSIST Reports

A current ASSIST report (as identified on the TMC Template) is required for courses entered on the TMC Template where no C-ID Descriptor is indicated. The ADT requires the following ASSIST reports:

Double-counting

- **California Code of Regulations, title 5, § 55063. Minimum Requirements for the Associate Degree.**
 - (c) While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement. Whether it may be counted again for a different degree requirement is a matter for each college to determine.
- A hyperlink to the GE Requirements is available in the Curriculum Inventory by following this path:
 - Click on ‘Admin’ tab,
 - Click on ‘Resources,’ under ‘Documents (PDF Downloads)’
 - Click on ‘General Education Requirements (ASSIST.org).’
- Must account for the ASSIST number of units that may be double-counted for each GE (IGETC or CSU-GE) area, not the course unit value assigned by the college.
