

State Policy and Advocacy Update

STATE ADVOCACY OVERVIEW

As of this writing, the Legislature and Governor have not reached an official agreement regarding the 2022 State Budget. However, the Assembly's and Senate's budget framework proposes funding for the Cal Grant Equity Framework and establishes an equitable placement and completion support block grant. Further, the framework approves funding for several of our budget priorities, including AB 928 (related to transfer reform) and AB 1111 (related to common course numbering).

During the June Consultation Council meeting, we will provide an update on our advocacy efforts on high-priority legislation, including AB 1705 (related to equitable placement), AB 1746 (related to Cal Grant Reform), and SB 1141 (related to undocumented students). Below is a summary of upcoming legislative deadlines.

- **July 1:** Last day for policy committees to meet. Summer Recess begins.
- **August 1:** Legislature reconvenes from Summer Recess.
- **August 12:** Last day for fiscal committees to meet.
- **August 31:** Last day for the Legislature to pass bills.
- **September 30:** Last day for Governor to sign or veto bills.

STATE LEGISLATION OVERVIEW

To date, we have identified 174 bills that have an impact on higher education or the Chancellor's Office. Of these bills, 65 are classified at Tier 1 and most likely to have a direct impact on CCCs, our faculty, and students. A full Legislative Matrix and a list of all Tier 1 bills can be found by visiting the [State Relations page on the Chancellor's Office website](http://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Government-Relations-Policy-in-Action/Policy-in-action/State-Relations/Tracked-Legislation). (www.cccco.edu/About-Us/Chancellors-Office/Divisions/Government-Relations-Policy-in-Action/Policy-in-action/State-Relations/Tracked-Legislation).

The following policy positions are in alignment with the 2022 Legislative Guiding Principles, which authorizes the Chancellor's Office to adopt official positions on legislation if it meets the goals established in the *Vision for Success*, advances the priorities established in the 2022-23 Students First Budget and Legislative Proposal, and is consistent with Board of Governors policy. A summary of how these bills are aligned to the Legislative Principles is included as part of this update. Overall, we have a **Sponsor** position on two bills, a **Support** position on 12 bills, and an **Oppose** position on one bill.
