

State Policy and Advocacy Update

STATE ADVOCACY OVERVIEW

The Chancellor's Office continues to engage in policy conversations and coalition building on issues including equitable placement, undocumented students, financial aid reform, and basic needs. By leveraging the collective voices of stakeholders and partners, we are fully committed in shared advocacy to advance the goals outlined in the *Vision for Success*. Our work allows us to drive policy changes that will improve student outcomes, close equity gaps, and help California recover from the economic and social challenges posed by COVID-19.

STATE LEGISLATION OVERVIEW

To date, we have identified 229 Assembly Bills (AB) and Senate Bills (SB) that have an impact on higher education or the Chancellor's Office. Of these bills, 72 are classified at Tier 1 and most likely to have a direct impact on the California Community Colleges (CCCs), our faculty, and students. A full Legislative Matrix and a list of all Tier 1 bills can be found by visiting the [State Relations page on the Chancellor's Office website](http://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Government-Relations-Policy-in-Action/Policy-in-action/State-Relations/Tracked-Legislation). (www.cccco.edu/About-Us/Chancellors-Office/Divisions/Government-Relations-Policy-in-Action/Policy-in-action/State-Relations/Tracked-Legislation).

Since the last Consultation Council meeting in February, the Chancellor's Office has taken a **Support** position on AB 1746 (related to Cal Grant reform); an **Oppose** position on AB 2820 (related to Calbright); and a **Support** position on SB 885 (related to the NextUp program). Overall, we have a **Support** position on nine bills and an **Oppose** position on one bill.

Consistent with our advocacy for undocumented student supports and resources, the Chancellor's Office is also sponsoring two pieces of legislation authored by Senator Limón related to AB 540. SJR 9 commemorates October 12, 2021, as the twentieth anniversary of the passage of AB 540, while SB 1141 would expand the nonresident tuition exemption to additional California Community College students. This proposal will remove time-consuming and cost-prohibitive barriers for undocumented students, ensuring they will be successful in earning a degree or credential or transferring to a four-year university. An analysis of SB 1141 is included as part of this update.

The following policy positions are in alignment with the 2022 Legislative Guiding Principles, which authorizes the Chancellor's Office to adopt official positions on legislation if it meets the goals established in the *Vision for Success*, advances the priorities established in the 2022-23 Students First Budget and Legislative Proposal, and is consistent with Board of Governors policy. A summary of how these bills are aligned to the Legislative Principles is included as part of this update.

For additional details on bills, visit the [Legislative Counsel's website](http://leginfo.legislature.ca.gov/) (leginfo.legislature.ca.gov/).
