

State Policy and Advocacy Update

STATE ADVOCACY OVERVIEW

On June 27th, Governor Newsom signed Senate Bill (SB) 154, a bicameral state budget deal for the 2022-23 fiscal year. Another bill, Assembly Bill (AB) 178, proposes to amend the original bicameral bill to reflect negotiations between the Assembly, Senate, and the Governor. As part of these discussions, the three parties agreed to several policy changes and supplementary allocations as part of the higher education trailer bill (AB 183). As of this writing, only SB 154 has been signed into law, but the overall budget framework does fund several of our advocacy priorities:

- **Cal Grant Reform Act:** Trailer bill language streamlines the Cal Grant program by removing long-standing barriers and expands access to approximately 109,000 additional community college students. The Cal Grant Reform Act would become operative beginning in 2024-25 based on available revenues and multiyear forecasts.
- **Equitable Placement and Completion Block Grant:** The budget agreement includes \$64 million for an Equitable Placement and Completion Block Grant. Colleges may use these funds to support faculty professional development, expand concurrent supports and support services, and redesign curriculum consistent with AB 1705.
- **Streamlining Academic Pathways:** The budget agreement also includes \$65 million to implement the transfer improvement provisions required by AB 928 (Berman, 2021) and \$105 million for the implementation of a common course numbering system mandated by AB 1111 (Berman, 2021).

STATE LEGISLATION OVERVIEW

To date, we have identified 154 bills that have an impact on higher education or the Chancellor's Office. Of these bills, 58 are classified at Tier 1 and most likely to have a direct impact on the California Community Colleges (CCCs), our faculty, and students. A full Legislative Matrix and a list of all Tier 1 bills can be found by visiting the [State Relations page on the Chancellor's Office website](http://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Government-Relations-Policy-in-Action/Policy-in-action/State-Relations/Tracked-Legislation). (www.cccco.edu/About-Us/Chancellors-Office/Divisions/Government-Relations-Policy-in-Action/Policy-in-action/State-Relations/Tracked-Legislation).

Since our last meeting, the Chancellor's Office has taken a **Support** position on AB 1919 (related to transit passes). Overall, we have a **Sponsor** position on two active bills and a **Support** position on 11 active bills.

The following policy positions are in alignment with the 2022 Legislative Guiding Principles, which authorizes the Chancellor's Office to adopt official positions on legislation if it meets the goals established in the *Vision for Success*, advances the priorities established in the 2022-23 Students First Budget and Legislative Proposal, and is consistent with Board of Governors policy. A summary of how these bills are aligned to the Legislative Principles is included as part of this update.

For additional details on bills, visit the [Legislative Counsel's website](http://leginfo.legislature.ca.gov/) (leginfo.legislature.ca.gov/).
