

State Policy and Advocacy Update

STATE ADVOCACY OVERVIEW

The Chancellor's Office continues to meet with and engage new legislative members and staff regarding our advocacy priorities for the 2023 legislative year. We remain committed to supporting and uplifting policies that result in equitable student access, success, and completion, while maintaining the fiscal health and resiliency of our system. As the legislative deadline to introduce bills approaches, we will carefully examine these proposals to ensure that they strengthen the California Community Colleges' (CCCs) ability to support students' degree, program, and career goals and are consistent with the *Vision for Success* and *Governor's Roadmap for the Future*.

Due to her critical advocacy and commitment to ensuring undocumented student success, the Chancellor's Office recently honored Senator Monique Limón as part of our annual Rice Awards. Senator Limón authored Senate Bill (SB) 1141 during the 2022 Legislative Session, which lifted the cap on credit courses undocumented adult learners may use to qualify for a nonresident tuition exemption under Assembly Bill (AB) 540. We thank Senator Limón for being a legislative equity champion and eliminating barriers for our students.

STATE LEGISLATION OVERVIEW

As of this writing, we have identified 38 bills that have an impact on higher education or the Chancellor's Office. Of these bills, 24 are classified at Tier 1 and most likely to have a direct impact on the CCCs, our faculty, and students. The deadline for the Legislature to introduce bills is February 17th. A full Legislative Matrix and a list of all Tier 1 bills can be found by visiting the [State Relations page on the Chancellor's Office website](http://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Government-Relations-Policy-in-Action/Policy-in-action/State-Relations/Tracked-Legislation). (www.cccco.edu/About-Us/Chancellors-Office/Divisions/Government-Relations-Policy-in-Action/Policy-in-action/State-Relations/Tracked-Legislation).

At this time, the Chancellor's Office has not taken positions on any legislation. We are sponsoring three bills related to AB 540 transfer students, compensation for Board of Governors student members, and Economic and Workforce Development program modernization. Fact sheets for these bills are included as attachments to this item, and a verbal update on the status of each bill will be provided at the Council meeting.

For additional details on bills, visit the [Legislative Counsel's website](http://leginfo.legislature.ca.gov/) (leginfo.legislature.ca.gov/).
