Jessie Ryan	Member Epstein, there is a responsibility of the 4-year public colleges and universities to do more to outreach to Black students and families and open their doors as viable and welcoming options.
Su Jin Jez	Related to this conversation, I wanted to share California Competes's Focus on Race and Ethnicity Factsheets. The factsheet on Black Californians begins on page 3. <a href="https://californiacompetes.org/assets/general-files/CACompetes_RaceEthnicity_Final.pdf">https://californiacompetes.org/assets/general-files/CACompetes_RaceEthnicity_Final.pdf</a>

Jessie Ryan	Personal Pay Off data: publics and for profits
Jessie Ryan	*Students at nine out of ten public colleges and universities in California recoup their cost within five years, as do roughly half of students at independent non-profit colleges and universities. This is true for only three in ten private for-profit colleges and universities.
Member Colm Fitzgerald	The students appreciate greatly the leagues support on 337!!
