## SYSTEM GUIDANCE/NEWS

Chancellor Eloy Ortiz Oakley has requested a high level taskforce to develop guidance and recommendations for the Chancellor's Office to use in supporting our colleges as they begin to plan for the reopening of campuses. Los Rios Community College District Chancellor Brian King will chair the taskforce and Shasta College Superintendent/President Joe Wyse will help establish its members.

Chancellor Oakley has asked for guidance for continuing instruction in an environment where the system can continue to exercise social distancing; a framework on when to begin to open college campuses; guidance for supporting the classified staff and faculty as we reopen college campuses; recommendations to the Chancellor's Office on any changes to regulations impacting space utilization that may be required due to the anticipated social distancing protocols; and guidance and recommendations on how to position our advocacy to support the rapid workforce training necessary to get Californians reemployed. Chancellor Oakley has asked for preliminary guidance and recommendations by May 22.

The Chancellor's Office is committed to keeping all California community college administrators, staff, faculty and students informed as we all navigate this uncertain time. We encourage everyone to routinely check the [Chancellor's Office COVID-19 resource page](#) for ongoing announcements.
