LEGISLATIVE COUNSEL'S DIGEST

AB 19, Santiago. Community colleges: California College Promise.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. Existing law authorizes the establishment of community college districts under the administration of community college governing boards, and authorizes these districts to provide instruction at community college campuses throughout the state. Existing law requires community college district governing boards to charge students an enrollment fee of \$46 per unit per semester. Existing law requires the board of governors to waive this fee for students meeting prescribed requirements.

This bill would establish the California College Promise, to be administered by the Chancellor of the California Community Colleges, which shall distribute funding, upon appropriation by the Legislature, to each community college meeting prescribed requirements to be used to, among other things, accomplish specified policy goals and waive fees for one academic year for first-time students who are enrolled in 12 or more semester units or the equivalent at the college and complete and submit either a Free Application for Federal Student Aid or a California Dream Act application.

The people of the State of California do enact as follows:

SECTION 1. Article 3 (commencing with Section 76396) is added to Chapter 2 of Part 47 of Division 7 of Title 3 of the Education Code, to read:

Article 3. California College Promise

(b) (1) Upon appropriation by the Legislature, the chancellor shall distribute funding to community college districts to fund colleges that satisfy the requirements of this article.

(2) (A) The chancellor shall establish a funding formula that advances the goals outlined in Section 76396.1.

(B) It is the intent of the Legislature that sufficient funding be allocated to each community college to waive all student fees pursuant to subdivision (b) of Section 76396.3.

76396.2. The requirements for participation in the California College Promise shall advance the goals outlined in Section 76396.1 and shall include all of the following:

(a) Partnering with one or more local educational agencies to establish an Early Commitment to College Program that is consistent with the intent of Article 6.3 (commencing with Section 54710) of Chapter 9 of Part 29 of

(c) Utilizing evidence-based assessment and placement practices at the community college that include multiple measures of student performance, which shall include, among other measures, overall grade point averages, including grades in high school courses, and using evidence-based practices to improve outcomes for underprepared students.

(d) Participating in the California Community College Guided Pathways Grant Program established pursuant to Part 54.81 (commencing with Section 88920) in order to clarify the academic path for students, help students enter a pathway, help students stay on an academic path, and ensure students are learning.

A fee waiver that a student receives pursuant to this subdivision shall only be for one academic year and fees shall only be waived for the summer term and each semester or quarter of that year in which the student maintains full-time status. A fee waiver provided pursuant to this subdivision shall not be available to a student who is charged a tuition fee pursuant to Section 76140.

(c) For purposes of this section, the following terms have the following meanings:

(1) “Full time” means 12 or more semester units or the equivalent.
