

Question: How far back should schools look for to find 2 consecutive terms of not meeting the new BOGFW eligibility standards?

Answer: Only 4 terms if continuous enrollment with no more than a one semester gap has been maintained.

*58621. Loss of Eligibility

(b) For purposes of this section, primary terms are fall and spring semesters for colleges on a semester system and fall, winter, and spring quarters for colleges on a quarter system. Terms shall be considered consecutive on the basis of the student's enrollment so long as the break in the student's enrollment does not exceed one primary term.

**Eligible for Summer BOGFW?

Loss of BOGFW **affects non-primary terms** (summer and winter). BOGFW eligibility depends on the **enrollment date**:

- If student enrolls **PRIOR** to the determination of Spring 2017 probation = **YES**, eligible
- If student enrolls **AFTER** the determination of Spring 2017 probation = **NOT** eligible
