RE: Annual Curriculum Approval Certification

Background
This memorandum provides information regarding the Annual Curriculum Approval Certification. The annual certification includes all credit and noncredit course proposals, modified credit programs, Career Technical Education (CTE) credit programs that are C-ID aligned, and local credit programs. Programs not included in the annual certification and streamline approval process include the Associate Degrees for Transfer (ADTs), noncredit Career Development and College Preparation (CDCP) certificates in the short-term vocational instructional domain, and new Career Technical Education credit programs that are not C-ID aligned.

Guidelines
The Chancellor’s Office Curriculum Inventory (COCI) system has yet to be updated to accommodate automatic approval for local programs and noncredit courses and programs authorized under this section for streamlined and auto-approval. Therefore, Chancellor’s Office staff will manually approve affected courses and programs, which may result in an approval timeframe of one to two business days. Periodic reviews of the locally approved and certified curriculum will be conducted by the Chancellor’s Office to monitor compliance and data integrity beginning January 2, 2020.

Requested Actions
Effective immediately, the Chancellor’s Office will require each college to submit: (1) an annual certification form (signed by the Chief Executive Officer, Chief Instructional Officer, Academic Senate President, and Curriculum Chair) and, (2) one PDF copy of the local governing board policy that defines the standards for credit hour calculations. The signed certification form and local governing board policy documentation are to be submitted to the Chancellor’s Office annually, during the month of October.

Each academic year, during the month of September, the Chancellor’s Office will release an annual certification reminder to colleges. For the 2019-20 academic year, the certification form and local governing board policy must be submitted to the Chancellor’s Office no later than 5:00 P.M. on October 18, 2019. Colleges that do not submit the required certification documents by the due date, are out of compliance with auto-approval requirements and thus, affected credit and noncredit
course and program proposal submissions will be manually reviewed by the Chancellor's Office. The manual review process will remain in effect until the signed certification form and the local governing board policy documentation are received by Chancellor's Office. Since this is the first year that specific noncredit courses and programs will be automated, in an effort to support colleges with ensuring that their noncredit submissions follow title 5 and the PCAH, included with this memorandum is a noncredit guidance table.

**Request for Support**
Throughout the academic year, colleges may request for a technical assistance team--comprised of an Academic Senate member, Chief Instructional Officer, and Chancellor’s Office staff--to assist with any curriculum related matter. Please submit these requests to your point of contact at the Chancellor’s Office.

**Contact**
