Reporting Requirements

Required by SB 139 (Statutes of 2007) and SB 1309 (Statutes of 2006)

- Community colleges that receive funds for nursing program enrollment growth and retention must collect and report data on the impact of assessment testing in nursing programs to the Chancellor's Office.

Assessment Test Data Reporting

- Excel spreadsheet provided by vendor.
- Student record data.
- Responsibility of Nursing Director to review and update the data.
- Reviewed and completed, e-mail the updated spreadsheet to the Chancellor's Office.

Timeline

- **June 28:** Assessment vendor begins to populate Excel spreadsheet with data on students who took assessment tests at each school
- **September 1:** Assessment vendor provides Excel spreadsheet to schools for data completion.
- **October 21:** Deadline for schools to submit data to Chancellor's Office. Please email it to NursingApps@cccco.edu.
- **January 3:** Vendor returns collated data to Chancellor's Office
- **March 1:** Chancellor's Office collates data from all nursing programs and submits report to Legislature
