Section 88827

88827. (a) This section applies to the K–12 component only.

(b) Commencing with the 2018–19 fiscal year, the amount appropriated in the annual Budget Act for the K–12 component of the Strong Workforce Program is provided to create, support, or expand high-quality career technical education programs at the K–12 level that are aligned with the workforce development efforts occurring through the Strong Workforce Program.

(c) (1) Pursuant to subdivision (b), one hundred fifty million dollars (\$150,000,000) shall be apportioned by the chancellor's office to the fiscal agent of each consortium based on the following weighted factors in each region:

(A) The unemployment rate. This factor shall comprise 33 percent of the allocation formula.

(B) The region's total average daily attendance for pupils in grades 7 to 12, inclusive. This factor shall comprise 33 percent of the allocation formula. For purposes of this section, average daily attendance shall be those figures that are reported at the time of the second principal apportionment for the previous fiscal year.

(C) The proportion of projected job openings. This factor shall comprise 34 percent of the allocation formula.

(2) Of the amounts apportioned to each consortium pursuant to paragraph (1), 4 percent is designated for applicants with total average daily attendance of less than or equal to 140, 8 percent is designated for applicants with total average daily attendance of more than 140 and less than or equal to 550, and 88 percent is designated for applicants with total average daily attendance of more than 550, unless otherwise determined by the K–12 Selection Committee formed pursuant to Section 88829, in consultation with the consortium. For any applicant consisting of more than one school district, county office of education, charter school, or regional occupational center or program operated by a joint powers authority, or any combination of those entities, the sum of the average daily attendance for each of the constituent entities shall be used for purposes of this subdivision.

(3) The chancellor's office shall provide to the Superintendent of Public Instruction, the Department of Finance, and the Legislative Analyst a schedule of proposed allocations, as determined pursuant to paragraph (1), for each consortium no later than August 30 of each year. The Department of Finance shall approve the allocation plan before the release of funding.

(d) Funds appropriated in the annual Budget Act to support consortia administrative costs shall be apportioned by the chancellor's office in an amount equal to 1 percent of each consortium's K–12 allocation pursuant to this section to support the costs to

administer the regional grant process and to support the duties of the K–12 Selection Committee.

Section 88828

88828. This section applies to the K–12 component only. Each consortium shall administer a competitive grant program to distribute funding allocated pursuant to subdivision (c) of Section 88827 to eligible grant recipients. Consortia are encouraged to collaboratively develop a uniform grant application process that includes a process for grant renewals and for a grant applicant to appeal a grant award decision of the K–12 Selection Committee. As part of the application process, each consortium shall ask applicants to indicate whether they have received a grant under the California Career Technical Education Incentive Grant Program established pursuant to Chapter 16.5 (commencing with Section 53070) of Part 28 of Division 4 of Title 2. For each fiscal year, the chancellor's office shall work with the State Department of Education to produce a list of grant recipients that receive funding under this program as well as through the California Career Technical Education Incentive Grant Program, including the grant amounts awarded through each program and the purpose for which each grant was awarded. Local educational agencies applying to receive a grant from a consortium shall comply with all of the following:

- (a) The local educational agency shall be located within the geographical boundaries of the consortium, and engage in regional efforts to align workforce, employment, and education services.
- (b) The local educational agency shall use its consortium's plan developed pursuant to Section 88823 to inform their efforts to create, support, implement or expand upon career technical education courses, course sequences, programs, and pathways, and to the extent possible, integrate available local, regional, state, and private resources to improve the successful outcomes of pupils enrolled in career technical education courses, course sequences, programs, and pathways. To the extent an applicant's career technical education program, or programs, offered in the 2018–19 fiscal year do not align with its consortium's plan developed pursuant to Section 88823, the applicant shall be deemed to meet this requirement by including in its grant application the steps that it will take during the 2018–19 fiscal year to align its career technical education program, or programs, with its consortium's plan.
- (c) (1) The local educational agency shall provide matching funds for any grant funding received from this program as follows:
 - (A) For regional occupational centers or programs operated by a joint powers authority, one dollar (\$1) for every one dollar (\$1) received from this program.
 - (B) For local educational agencies, two dollars (\$2) for every one dollar (\$1) received from this program.

(2) The local match may include funding from school district and charter school local control funding formula apportionments pursuant to Section 42238.02, the federal Carl D. Perkins Career and Technical Education Improvement Act of 2006 (20 U.S.C. Sec. 2301 et seq.), or its successor, the partnership academies program pursuant to Article 5 (commencing with Section 54690) of Chapter 9 of Part 29 of Division 4 of Title 2, the agricultural career technical education incentive program pursuant to Article 7.5 (commencing with Section 52460) of Chapter 9 of Part 28 of Division 4 of Title 2, or any other source, except as provided in paragraph (3).

(3) The local match described in this subdivision shall not include any funding received by the applicant from the California Career Pathways Trust established pursuant to Section 53010, or the California Career Technical Education Incentive Grant Program established pursuant to Section 53070.

(4) An applicant's matching funds shall be used to support the program, or programs, for which the applicant was awarded a grant.

(d) The applicant, or the applicant's career technical education program, as applicable, shall meet all of the following minimum eligibility standards:

(1) Is informed by, aligned with, and expands upon regional plans and planning efforts occurring through the Strong Workforce Program.

(2) Offers high-quality curriculum and instruction aligned with the California Career Technical Education Model Curriculum Standards adopted by the State Board of Education pursuant to Section 51226, including, but not limited to, providing a coherent sequence of career technical education courses that enable pupils to transition to postsecondary education or training programs that lead to a career pathway or attain employment upon graduation from high school.

(3) Provides pupils with quality career exploration and guidance.

(4) Provides pupil support services, including, but not limited to, counseling and leadership development.

(5) Provides opportunities for pupils to participate in after-school, extended-day, and out-of-school internships, competitions, and other work-based learning opportunities.

(6) Leads to an industry-recognized credential or certificate, appropriate postsecondary training or employment, or a postsecondary degree.

(7) Is staffed by skilled teachers or faculty and provides professional development opportunities for those teachers or faculty members.

(8) (A) Reports data that can be used by policymakers, local educational agencies, community college districts, and their regional partners to support and evaluate the program, including, to the extent possible, demographic data used to evaluate progress in closing equity gaps in program access and completion, and earnings of underserved demographic groups.

(B) Data reported pursuant to this paragraph shall include, but is not limited to, metrics aligned with the core metrics required by the federal Workforce Innovation and Opportunity Act (Public Law 113-128), the College/Career Indicator included in the California School Dashboard, and the quality indicators described in the California State Plan for Career Technical Education required by the federal Carl D. Perkins

Career and Technical Education Improvement Act of 2006 (20 U.S.C. Sec. 2301 et seq.), or its successor, and the following metrics:

- (i) The number of pupils completing high school.
- (ii) The number of pupils completing career technical education coursework.
- (iii) The number of pupils obtaining an industry-recognized credential, certificate, license, or other measure of technical skill attainment.
- (iv) The number of former pupils employed and the types of businesses in which they are employed.
- (v) The number of former pupils enrolled in each of the following:
 - (I) A postsecondary educational institution, disaggregated by public, private nonprofit, and private for-profit institutions.
 - (II) A state apprenticeship program.
 - (III) Another form of job training.
- (C) No later than November 30 of each fiscal year, the Workforce Pathways Joint Advisory Committee established pursuant to Section 12053 shall review the data metrics specified in subparagraph (B) and make recommendations to the fiscal and appropriate policy committees of both houses of the Legislature and to the Department of Finance as to whether they are the most appropriate metrics to measure and evaluate program outcomes for both new and renewal applicants, and whether other metrics should be included.
- (D) Data collected pursuant to this section shall be reported by the grant recipient to the State Department of Education and their K-14 Technical Assistance Provider by November 1 immediately following the fiscal year for which the data is being reported. The K-14 Technical Assistance Provider shall annually notify the K-12 Selection Committee in each region of any grant recipient that fails to provide the required outcome data. The K-12 Selection Committee, in consultation with the consortium, may terminate or rescind contracts and grants from grantees that fail to provide the required outcome-based data pursuant to this paragraph.
- (E) The State Department of Education shall make the data reported pursuant to subparagraph (D) available to the chancellor's office on a date to be jointly determined by the State Department of Education and the chancellor's office, to ensure the data is included on the California Community Colleges LaunchBoard data platform.
- (F) No later than January 31, 2024, and on or before January 31 every five years thereafter, the State Department of Education shall submit a report, pursuant to Section 53076.5 and this section, to the Department of Finance, the Governor, and the appropriate policy and fiscal committees of the Legislature evaluating the progress that local educational agencies have made in expanding the availability of high-quality, industry-valued career technical education and workforce development opportunities; improving coordination and alignment with postsecondary educational institutions and workforce agencies and programs; and, to the extent possible, the progress in closing equity gaps in program access and completion.

Section 88829

88829. (a) For purposes of awarding grants under the K-12 component of the Strong Workforce Program, each consortium shall form a K-12 Selection Committee made up of individuals with expertise in K-12 career technical education and workforce development. The K-12 Selection Committee membership shall be composed of all of the following:

- (1) Current or former K-12 career technical education teachers and administrators.
- (2) Charter school representatives, including representatives of charter schools operating pursuant to subdivision (a) of Section 47612.1.
- (3) Career guidance counselors.
- (4) Representatives of industries that are prioritized by the consortium.
- (5) At least one community college faculty or administrator.
- (6) Other K-12 education stakeholders, or other stakeholders, as determined by the consortium.

(b) The K-14 Technical Assistance Provider in each consortium shall serve as a consultant to the K-12 Selection Committee.

(c) (1) Decisions governing, or relating to, the distribution of fiscal resources for the K-12 component shall be made exclusively by the K-12 Selection Committee, including selection of grant recipients and specific funding amounts for each grant.

(2) The K-12 Selection Committee shall annually notify the Superintendent of Public Instruction, the State Board of Education, the Department of Finance, and the fiscal and appropriate policy committees of both houses of the Legislature of the amount awarded to each grant recipient and the activities to be supported by the grant.

(d) To be eligible to receive a grant, a local educational agency with a representative on the K-12 Selection Committee shall maintain appropriate and transparent internal controls and processes to ensure that the local educational agency representative's duties and responsibilities are clearly delineated, identified, and distinguished from the duties and responsibilities conferred upon the local educational agency as a grant applicant and recipient.

Section 88830

88830. (a) When determining grant recipients under the K–12 component of the Strong Workforce Program, the K–12 Selection Committee shall consider past performance of grantees before awarding additional funds to those reapplying for grants.

(b) (1) The K–12 Selection Committee shall give positive consideration to each of the following characteristics in an applicant:

(A) Aligned programs serving unduplicated pupils, as defined in Section 42238.02.

(B) Programs that the K–12 Selection Committee, in consultation with the consortium, determines most effectively meet the needs of the local and regional economies.

(C) Programs serving pupil subgroups that have higher than average dropout rates as identified by the Superintendent of Public Instruction.

(D) Programs located in an area of the state with a high unemployment rate.

(2) When determining grant recipients, the K–12 Selection Committee shall give greatest weight to the applicant characteristics included in this subdivision.

(c) The K–12 Selection Committee shall also give positive consideration to programs to the extent they do any of the following:

(1) Successfully leverage one or both of the following:

(A) Existing structures, requirements, and resources of the federal Carl D. Perkins Career and Technical Education Improvement Act of 2006 (20 U.S.C. Sec. 2301 et seq.), or its successor, the partnership academies program pursuant to Article 5 (commencing with Section 54690) of Chapter 9 of Part 29 of Division 4 of Title 2, or the agricultural career technical education incentive program pursuant to Article 7.5 (commencing with Section 52460) of Chapter 9 of Part 28 of Division 4 of Title 2.

(B) Contributions from industry, labor, and philanthropic sources.

(2) Make significant investments in career technical education infrastructure, equipment, and facilities.

(3) Operate within rural school districts.

Section 88833

88833. (a) (1) Commencing with the 2018–19 fiscal year, the amount appropriated in the annual Budget Act for support of the K–12 Workforce Pathway Coordinators and the K–14 Technical Assistance Providers shall be used to establish a K–12 Workforce Pathway Coordinator within the geographical boundaries of each community college district, unless otherwise determined by the Superintendent of Public Instruction and the chancellor's office. K–12 Workforce Pathway Coordinators shall be selected through a competitive process jointly administered by the Superintendent of Public Instruction and the chancellor's office, for the provision of technical assistance and support to local educational agencies in implementing career technical education courses, programs, and pathways under both the California Career Technical Education Incentive Grant Program established pursuant to Section 53070 and the K–12 component of the Strong Workforce Program. Duties of the K–12 Workforce Pathway Coordinators selected pursuant to this section include, but are not limited to, all of the following:

(A) Providing technical assistance and support to local educational agencies to implement career technical education courses, programs, and pathways and integrate available local, regional, state, and private resources to ensure that pupils will achieve successful workforce outcomes. As part of this duty, each K–12 Workforce Pathway Coordinator, in consultation with the State Department of Education, shall ensure that K–12 career technical education programs are aligned with the California Career Technical Education Model Curriculum Standards adopted by the State Board of Education pursuant to Section 51226.

(B) Collaborating on behalf of the local educational agencies within the region with local community colleges, industry partners, local workforce investment boards, and other relevant agencies or organizations to support and align K–12 career technical education programs. As part of this duty, each K–12 Workforce Pathway Coordinator shall stay current with the needs of K–12 career technical education programs and their regional and local labor markets in order to provide guidance, in collaboration with local educational agencies, to the chancellor's office, the Strong Workforce regional consortium, and industry representatives.

(C) Acting as first point of contact for local educational agencies, industry representatives, and employers with the intent of assisting local educational agencies to respond to industry needs and facilitating industry connection with K–12 career technical education programs.

(D) Cultivating collaborative communities so that local educational agencies and industry can collaborate and provide peer-to-peer knowledge exchange in areas of common interest to inform the development of high-quality education programs.

(E) Working in conjunction with the Deputy Sector Navigators and State Department of Education Industry Sector Leads to improve linkages and alignment of career education pathways between middle schools, high schools, public postsecondary institutions, and the workforce.

(2) An individual associated with any of the following may apply to serve as a K–12 Workforce Pathway Coordinator, or any of the following may subcontract with an individual with expertise in K–12 education and workforce development to serve as a K–12 Workforce Pathway Coordinator:

- (A) School districts.
- (B) County offices of education.
- (C) Charter schools.
- (D) Regional occupational centers or programs operated by a joint powers authority.

(3) The Superintendent of Public Instruction and the chancellor's office shall agree upon an outcome-based assessment that allows for an evaluation of the K–12 Workforce Pathway Coordinators' ability to perform the duties identified in paragraph (1). Data required for purposes of this evaluation shall be submitted by the K–12 Workforce Pathway Coordinators to the Superintendent of Public Instruction and the chancellor's office at least annually, commencing in the 2019–20 fiscal year.

(b) (1) Commencing with the 2018–19 fiscal year, the amount appropriated in the annual Budget Act for support of the K–12 Workforce Pathway Coordinators and the K–14 Technical Assistance Providers shall be used to support the activities of the K–14 Technical Assistance Providers established under the California Career Pathways Trust. One K–14 Technical Assistance Provider shall be selected for each consortium through a competitive process jointly administered by the Superintendent of Public Instruction and the chancellor's office, for the provision of technical assistance and support to local educational agencies in implementing career technical education courses, programs, and pathways under both the California Career Technical Education Incentive Grant Program established pursuant to Section 53070 and the K–12 component of the Strong Workforce Program. Duties of the K–14 Technical Assistance Providers selected pursuant to this section include, but are not limited to, all of the following:

(A) Providing leadership, guidance, and technical assistance to create, support, expand, and improve career technical education opportunities for local educational agencies. As part of this duty, each K–14 Technical Assistance Provider, in consultation with the State Department of Education, shall ensure that K–12 career technical education programs are aligned with the California Career Technical Education Model Curriculum Standards adopted by the State Board of Education pursuant to Section 51226.

(B) Acting as a liaison between the consortium and the State Department of Education, and serving as a consultant to the K–12 Selection Committee.

(C) Interacting with the K–12 Workforce Pathway Coordinators, the Deputy Sector Navigators, and the State Department of Education Industry Sector Leads to improve linkages and career education pathways between middle schools, high schools, public postsecondary institutions, and the workforce.

(D) Identifying professional development opportunities for the K–12 Workforce Pathway Coordinators and educational entities, including educational leaders and counselors.

(E) Regularly facilitating the convening of grantees to develop a network of educators to share best practices and cultivate state resources that can be used by agencies charged with providing assistance within the statewide system of support authorized pursuant to Section 52059.5.

(2) Any of the following may apply to serve as a K–14 Technical Assistance Provider, or subcontract with an individual with expertise in K–12 education and workforce development to serve as a K–14 Technical Assistance Provider:

- (A) School districts.
- (B) County offices of education.
- (C) Charter schools.
- (D) Regional occupational centers or programs operated by a joint powers authority.
- (E) Community college districts.

(3) The Superintendent of Public Instruction and the chancellor's office shall agree upon an outcome-based assessment that allows for an evaluation of the K–14 Technical Assistance Providers' ability to perform the duties identified in paragraph (1). Data required for purposes of this evaluation shall be submitted by the K–14 Technical Assistance Providers to the Superintendent of Public Instruction and the chancellor's office at least annually, commencing in the 2019–20 fiscal year.

(4) In selecting the K–14 Technical Assistance Providers, the Superintendent of Public Instruction and the chancellor's office shall give priority to applicants who served as a K–14 Technical Assistance Provider under the California Career Pathways Trust pursuant to paragraph (2) of subdivision (e) of Section 53015.

(c) To promote the successful transition to the K–12 Strong Workforce Program, notwithstanding subdivisions (a) and (b), for the 2018–19 fiscal year only, the amount appropriated in the annual Budget Act for support of the K–12 Workforce Pathway Coordinators and the K–14 Technical Assistance Providers shall also be available for the purposes of integrating the K–12 component into the regional consortia and hiring and developing the K–12 Workforce Pathway Coordinators and K–14 Technical Assistance Providers.

(d) Any funds not utilized for the purposes identified in subdivision (a), (b), or (c) shall be added to the amount appropriated in the annual Budget Act for the K–12 component of the Strong Workforce Program, and provided to each consortium to create, support, or expand career technical education programs at the K–12 level that are aligned with the workforce development efforts occurring through the Strong Workforce Program.
