For the applicants whose applications did not achieve the minimum number of points, WEDD will be available to provide intensive technical assistance and training to support the applicants in submitting improved applications for future CAI N&I submittal deadlines.

Additionally, applicants have ten business days from the day this memorandum is distributed and posted online to enter an appeal. Please refer to Section 3470 of the Contracts and Grants Manual for information on filing an appeal. If an appeal is entered during this period, the grants affected will not be awarded until the appeal is resolved. The appeal must specify the grounds of appeal and must be based on the process and/or procedures used in the review and recommendation of application for awards.

The Chancellor's Office will contact the institution receiving funding to request Face Sheets and any technical changes, including budgets, that are needed to complete the execution of the grant agreement. A copy of the fully executed grant agreement will be emailed to the institution.

For audit purposes, funded institutions must retain a copy of the grant agreement, the RFA Specifications, and the Workforce and Economic Development Division Request for Applications Instructions, Terms and Conditions for three years. Collectively, these documents constitute the legally binding agreement to perform the specified work.
