RE: Strong Workforce Program 2021-22 Funding Allocations

This memo is to announce the Strong Workforce Program (SWP) allocations for the Fiscal Year 2021-22 and provide timelines for SWP planning and reporting.

In consideration of the economic conditions that resulted from the Covid-19 Pandemic which directly impacted the SWP formula factors – Unemployment Rate, CTE FTES, and Job Openings - the Chancellor's Office has elected to calculate both the 2021-22 Base Allocation and 17% Incentive Funding, using the same data factors as Fiscal Year 2020-21. The goal of doing so was to maximize funding stability to colleges under current emergency conditions.

Please note that the \$40 million increase to the SWP for FY 21-22 is NOT included in the allocation in this memo. The allocations of those funds is still under review and allocations to regions and colleges will be announced once approved by the Department of Finance.

2021-22 Program Planning and Reporting

The Strong Workforce Program plans for allocation year 2021-22 must be **submitted and certified in NOVA by October 31, 2021 by 5pm**. Please ensure that your local plans approval process is completed by the above deadline.

Colleges will have 24 months to expend 2021-22 allocation dollars and are expected to report their expenditures for the 2021-22 allocation on the following dates:

- FY 2021-22 Q1 and Q2 February 15, 2022
- FY 2021-22 Q3 and Q4 November 15, 2022
- FY 2022-23 Q1 and Q2 February 15, 2022
- FY 2022-23 Q3 and Q4 November 15, 2022

Colleges should have received an advance of their allocated funds for both base and 17% incentive via the Advanced Apportionment distributed on July 7, 2021.

Reminder on Hold Back of Funds

- 1. Beginning with FY 22-23 allocations, please be reminded that the Chancellor's Office will begin holding back funds allocated to colleges/districts or regions that are as of September 30, 2022, underspent by 50% or more of prior round allocations.
- 2. For colleges/districts who have not budgeted their full 2020-21 allocation in NOVA by October 31, 2021, distribution of their full 2021-22 allocation may be delayed.
- 3. Colleges/Districts that have fully budgeted both program years (2020-21 and 2021-22) by October 31, 2021 and approved by their monitor by November 30, 2021 can expect to receive their full allocation reflected in P1 of the apportionment process in February 2022.

For additional information regarding hold back of funds, please see the Chancellor's Office's January 5, 2021 memo.
