

FREQUENTLY ASKED QUESTIONS FOR RFA 17-192
CALIFORNIA APPRENTICESHIP INITIATIVE (CAI)
PRE-APPRENTICESHIP AND ENHANCED ON THE JOB TRAINING GRANT PROGRAM

- 1) **Question:** In reviewing the RFA for 17-192, I noted that there is a page count discrepancy for the *Project Management* section of the Narrative document: RFA page 13 states that this may have five pages, while RFA page 17 states this section may only have two pages. Can you clarify which is correct?

Answer: The Project Management Section is limited to two pages. Grant applicants will not be disqualified or penalized for submitting between 2 – 5 pages as a result of this RFA clarification.

- 2) **Question:** Are the trainees required to be hired by the pre-apprenticeship program (or their network) at the beginning of training, Or upon successful completion of the program?

Answer: A quality pre-apprenticeship program is one in which, upon completion, pre-apprentices will meet the entry requirements, gain consideration, and are prepared for success in one or more California State Registered Apprenticeship programs.

- 3) **Question:** If a company is successful and awarded this grant, does it preclude them from applying for any other grant opportunities that may arise in the near (within 2 years) future- for example if the state introduces the new and innovative apprenticeship grant again?

Answer: Information regarding future RFA requirements and eligibility are made available upon release to the public. We cannot disclose future criteria for a CAI RFA that has not yet been released to the public.

- 4) **Question:** As a recent recipient of CAI is my district also eligible to apply for RFA# 17-192, the Pre-Apprenticeship and Enhanced OJT Grant Program?

Answer: Yes

- 5) **Question:** Does a pre-apprenticeship program need to go through DAS approval?

Answer: No, the California Division of Apprenticeship Standards does not register pre-apprenticeship training programs.

- 6) **Question:** I would like to verify that MC3 is a curriculum that could be used for this grant.

Answer: Yes, we encourage eligible community college districts and K-12 LEAs to utilize this proven and innovative approach to preparing pre-apprentices in the building trades to become state registered apprentices in California.

- 7) Question:** My program will be approved by DAS in the near future but it may not be approved prior to the November 15 RFA submission date. Can I still submit my

Answer: Your program may still apply under the RFA but we suggest you provide evidence that approval through DAS is imminent.

However, the RFA states the requirement of "documented partnership with at least one, if not more, Registered Apprenticeship program(s)." We are working with an employer who just registered an Information Technology apprenticeship with the US DOL. Does a DOL-registered apprenticeship satisfy the requirement of the grant or do we need an apprenticeship that is registered with the DAS? We are working on getting our apprenticeship registered with the DAS.

Answer: You are not precluded from applying for RFA 17-192 but the area of focus of this RFA is to create a Pre-Apprenticeship or Enhanced OJT program that does the following:

- Is directly connect to existing California state apprenticeship programs approved and registered by the California Division of Apprenticeship Standards (DAS)
- Aligns with an Enhanced Other Than on the Job Training program as defined by California Labor Code Section 3093.
- Aligns with the US DOL's Definition of Pre-apprenticeship 5
- Integrate diverse initiatives and reforms to develop self-sustaining pre-apprenticeship programs for long-term success.
- Target and outreach to women in building trades, veterans and post release populations from California county jails or California state prisons underrepresented in occupations and industries utilizing an apprenticeship training model.

We encourage you to describe your path and timeline to becoming a California state registered apprenticeship program with the DAS.

29) Question: We have an M.O.U. in place with the California Building Trades Council aligned to a pathway through MC3 curriculum, using a certified MC3 instructor. We also are undertaking extensive construction on campus, provided for by a G.O. Bond. We have an approved Project Labor Agreement to ensure local hire of those students who complete the BTC pathway and enter the pre-apprenticeship program. My question is this: Is it sufficient for the RFA purposes to have a letter from the BTC acknowledging their partnership with us in pre-apprenticeship training aligned to the building trades in general, or will we be required to have letters from specific trades affiliated with the BTC?

Answer: The Building Trades Council letter is sufficient but not required; we encourage the applicant to be explicit regarding formal alignment with each unique registered apprenticeship-training program.
