Subject: Strong Workforce Program - Regional Share Template System - 2016-17 Funds

The Workforce and Economic Development Division has launched the Regional Share Template System for use by Regional Consortia to report use of Strong Workforce Regional Shares. This statewide system can be found at <http://swpreional.cccco.edu/>. Users will be able to create logins for system access at <http://swpreional.cccco.edu/#/JBDfXF4fwruvzb>. The Regional Share System pertains to the forty percent of the Strong Workforce funds apportioned directly to the regions. The deadline to report use of Regional Shares is January 31, 2017.

If you encounter any issues creating an account and/or logging in, please contact StrongWorkforceHelpdesk@cccoco.edu.

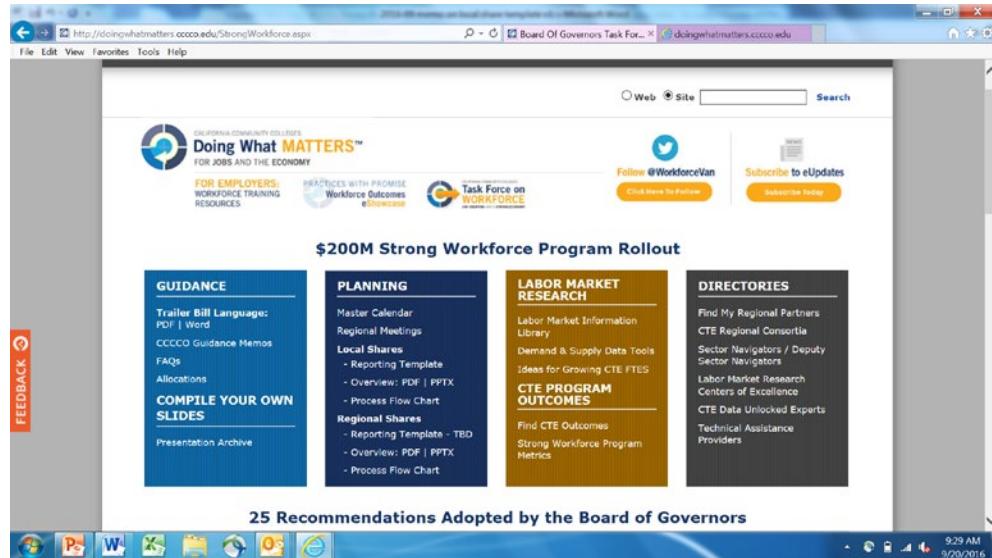

The California Community Colleges Chancellor's Office would like to thank the Regional Consortia for their hard work during the first year of the Strong Workforce Program implementation; we realize this was only made possible with the collaboration and vision from the regions.

To complement the activities by your CTE Regional Consortia, to support your use of Regional and Local Shares, and to ensure that use of these funds are in alignment with policy parameters established in statute, the CCCCO website doingwhatmatters.cccco.edu/StrongWorkforce.aspx is available with resources including:

The goals of the SWP include:

- Providing career pathways that prepare underemployed students with pathways to employment and livable wages
- Meeting increased demand for middle skills workforce with industry-valued credentials
- Closing equity gaps in program access, completion, job placement, and earnings of underserved demographic groups
