

Baccalaureate Degree Program Workgroup Charter

March 2022

BACKGROUND

On September 28, 2014, California Governor Jerry Brown signed Senate Bill 850 (Block, 2014) authorizing the Board of Governors of the California Community Colleges (BOG), in consultation with representatives of the California State University (CSU) and the University of California (UC), to establish a statewide baccalaureate degree pilot program at no more than 15 California community colleges. The provisions of SB 850 were scheduled to become inoperative in July 2023 until Assembly Bill 927, authored by state Senator Jerry Hill, extended the sunset date to July 2026.

ESTABLISHMENT AND AUTHORITY

On October 6, 2021, California Governor Gavin Newsom signed AB 927 (Medina) authorizing the BOG to expand and extend the operation of the statewide baccalaureate degree pilot program indefinitely. The bill amends Education Code Section 78040 et seq. to authorize the BOG to establish up to 30 baccalaureate degree programs annually, with a maximum of 15 in each of two application cycles.
