This year marks the twentieth anniversary of Assembly Bill 540, the landmark legislation that opened the doors of higher education to thousands of undocumented students by removing the burden of out-of-state tuition. Please join us for a special conversation featuring Acting Chancellor Dr. Daisy Gonzales, Chancellor Dr. Joseph I. Castro, President Dr. Michael V. Drake, and President Kristen Soares that will highlight systemwide efforts to support AB 540 students and discuss shared commitments to continue addressing challenges that remain in order to support the success of all of our undocumented students.

California's community colleges serve Dreamers. It is critical that we support our Dreamers, and work with our state and federal representatives to reform our immigration system and find financial aid solutions that preserve the rights of all students to pursue higher education. #CCCforUndocu #UndocumentedStudentActionWeek
