AUTHORITY AND REFERENCE

Authority: Section 70901, Education Code; and Section 20661, Public Contract Code.

Reference: Sections 70901 and 72670.5, Education Code; and Sections 20651.7, 20652, 20661, Public Contract Code.

INFORMATIVE DIGEST

Assembly Bill 2329 (1998) enacted Public Contract Code section 20661 which authorizes the Chancellor to enter into contracts for goods and services on behalf of community college districts. This authority was intended to allow the Chancellor's Office to leverage the bargaining power of the California Community Colleges system when negotiating for goods and services, leading to lower costs and more efficient use of district resources by eliminating duplicative procurement processes. While the statute contemplated the Board of Governors promulgating regulations to implement this section, it has not previously done so. In practice, the authority of the Chancellor to enter into contracts on behalf of community college districts has been delegated by agreement to the Foundation for California Community Colleges' CollegeBuys program.

This regulatory action is intended to formalize the CollegeBuys program and clarify that it is conducted on the authority of the Chancellor's Office to ensure that community college districts are aware of their authority to participate.

ESTIMATED COST OR SAVINGS OF PROPOSED AMENDMENTS

The estimated cost or savings of the proposed amendments are anticipated to be as follows:

Mandate on local agencies or community college districts: None.

Cost or savings to state agencies: None.

Costs to local agencies or community college districts for which reimbursement would be required pursuant to part 7 (commencing with section 17500) of division 4 title 2 of the Government Code: None.

Other non-discretionary cost or savings imposed on community college districts: None.

Cost or savings in federal funding to state agencies: None.
