## **INFORMATIVE DIGEST**

Assembly Bill 1504 (Medina, 2019) codified a funding stream for the statewide community college student organization, which the Board has recognized as the Student Senate for California Community Colleges (SSCCC).

AB 1504 generally requires community colleges to collect a student representation fee of \$2 at the time of registration, and designates \$1 of the fee to be collected for the SSCCC as the recognized statewide community college student organization. Students may decline to pay the student representation fee, and must be provided an opportunity to do so at the time fees are paid. The legislation is a departure from prior law, which required individual colleges to hold a vote to opt into the SSCCC portion of the student fee. The regulatory action repeals provisions related to the student registration voting process.

## **ESTIMATED COST OR SAVINGS OF PROPOSED AMENDMENTS**

The estimated cost or savings of the proposed amendments are anticipated to be as follows:

Mandate on local agencies or community college districts: None.

Cost or savings to state agencies: None.

Costs to local agencies or community college districts for which reimbursement would be required pursuant to part 7 (commencing with section 17500) of division 4 title 2 of the Government Code: None.

Other non-discretionary cost or savings imposed on community college districts: None.

Cost or savings in federal funding to state agencies: None.
