

## CA Governor Gavin Newsom Visits CRC

CA Governor Gavin Newsom took time to visit CRC last Tuesday morning. This was his first stop traveling the state to highlight that for the first time, California will provide two free years of community college to any first-time, full-time CA student. The Governor stopped by Professor Beth Huffman's Introduction to Political Science class, where the students asked him a variety of questions on everything from immigration reform to the Paradise fire, and the Promise initiative.

Then he walked with CRC President Ed Bush and Board Trustee Pam Haynes to the financial aid office where he talked to several students and did media interviews.

The CA state budget allocates \$42 million in additional funding to assist an estimated 33,000 eligible students statewide.

A big shout out to all those who helped make this visit extremely smooth! Student Services/Financial Aid, Dean Yolanda Garcia, Operations, Chris Raines, Tony Cartright, Campus Police, President's Office, Dean Tonya
