### Purpose of Funds

The Asian American Native Hawaiian Pacific Islander Student Achievement Program (AANHPI SAP) offers an opportunity to develop integrated, culturally responsive student support services and curriculum to promote wellness and academic success of underserved AANHPI and other historically marginalized student populations. Funding is provided to support culturally responsive services to enhance student educational experiences and promote higher education success for low- income, underserved, and first generation Asian American Native Hawaiian Pacific Islander (AANHPI) students and other underrepresented students. In compliance with statutory requirements, the Foundation for California Community Colleges (FCCC) continues to serve as the nonprofit organization running the Central Office for the AANHPI Student Achievement Program.

## 2024-25 Spending Guidelines

Expenditures of AANHPI SAP program funds should be consistent with the goals and activities of the program and colleges are urged to document expenditure plans and justification. Prohibited expenditures include gifts, stipends for students, political contributions, course delivery and supplanting of other general or categorical funds for similar program activities in place prior to availability of AANHPI funds. AANHPI SAP expenditures should be consistent with the guidance provided for the Student Equity and Achievement Program.
