# *Regional COE:* Functions and Roles

Revise what and how student-centered LMI and career data analysis are gathered, organized, applied and disseminated

Build capacity to support the numerous colleges in the region to identify, collect, and analyze student success metrics and outcomes

Effectively and holistically connect and align strategies related to the various workforce initiative convenings, trainings, and/or economic development meetings

Work towards helping the region's colleges and key stakeholders use evidence-based approaches

Expand work-based learning experiences for all pathways and support the achievement of apprenticeship goals by connecting career mobility

## Primary Function:

To support inclusive, equity-centered regional economic growth; help communities accomplish their goals related to community college student and adult learner retention, completion, and transition to the workforce; and address employer and employee needs.

# ***Regional COE: Goals – Phase 1***

First 36 months (Year 1-3)

Focus: expanding the Regional Centers of Excellence's LMI capacity and in aligning funding to support the provision of technical assistance within each region

An evaluation will be completed at the end of Year 3

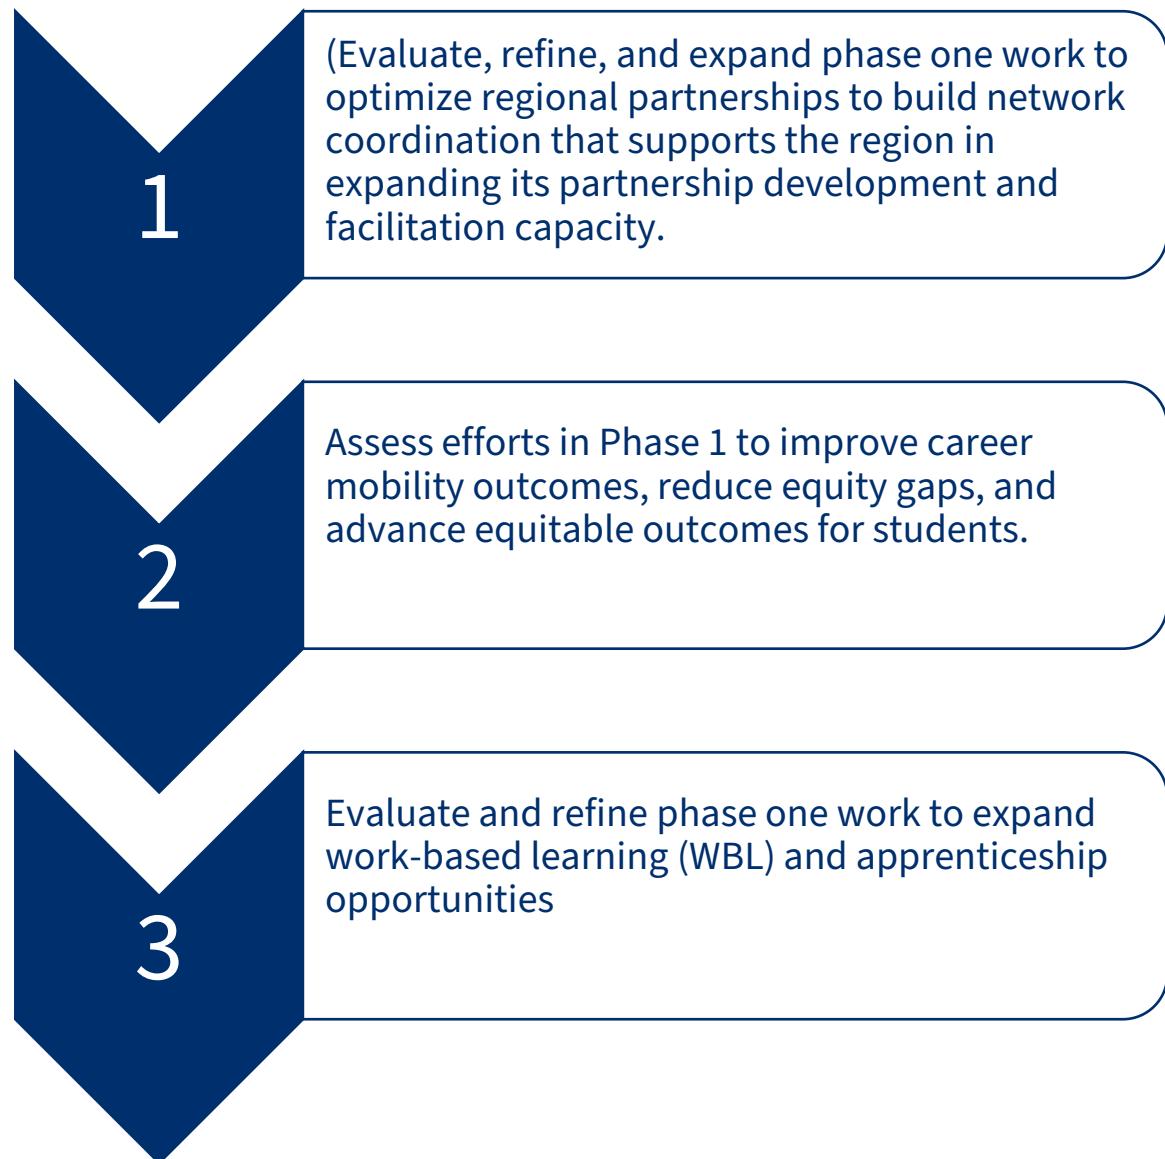

- Candidates who achieved satisfactory performance in Phase 1 will move onto Phase 2

Additional information can be found in the RFA in the section:

- Goals

# *Regional COE:* Goals – Phase 2

Next 24 months (Year 4-5)

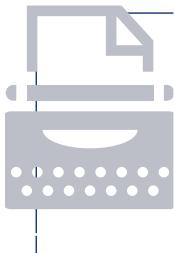

Focus: expanding the Regional Centers of Excellence's LMI capacity and in aligning funding to support the provision of technical assistance within each region

Additional information can be found in the RFA in the section:

- Roles and Functions of the Regional Centers of Excellence

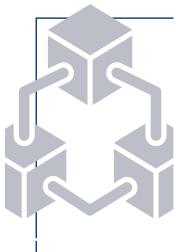

California  
Community  
Colleges

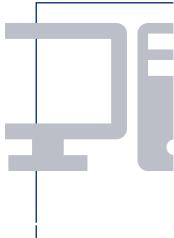

(1) Serve as a strategic partner for colleges

(2) Deliver effective coaching and technical assistance to the colleges and regional stakeholders

(3) Support colleges with data on the demand for short-term certificates, associate degrees, and bachelor's degrees

(3) Report progress on the region's efforts to help achieve the Chancellor's Office Vision 2030 goals below.

# *Regional COE: Expectations*

Regional Centers of Excellence will collaborate with the Statewide Career Mobility Accelerator Center for support, technical assistance, and professional development around LMI expertise, data contextualization, partnership development, regional goal setting, capacity building, and advancing Vision 2030 goals, including the reduction of equity gaps.

California  
Community  
Colleges

# Statewide Center: Functions and Roles

- Works closely with the Chancellor's Office as a direct report, regarding the 8 regional centers and on state and national trends that impact our system
- Plays a key role in workforce outcomes and goals as identified in Vision 2030
- Provides Leadership for the 8 Regional Centers.
- Facilitate leadership support and development

Additional information can be found in the RFA  
in the section:

- Goals, Expectations, Roles, and Functions of the Statewide Center

1 Co-design and support the Regional Centers of Excellence as they revise what and how student-centered LMI and career data analysis to better understand career mobility and industry needs.

2 Provide technical assistance to help the Regional COEs build capacity to support the numerous colleges in their region

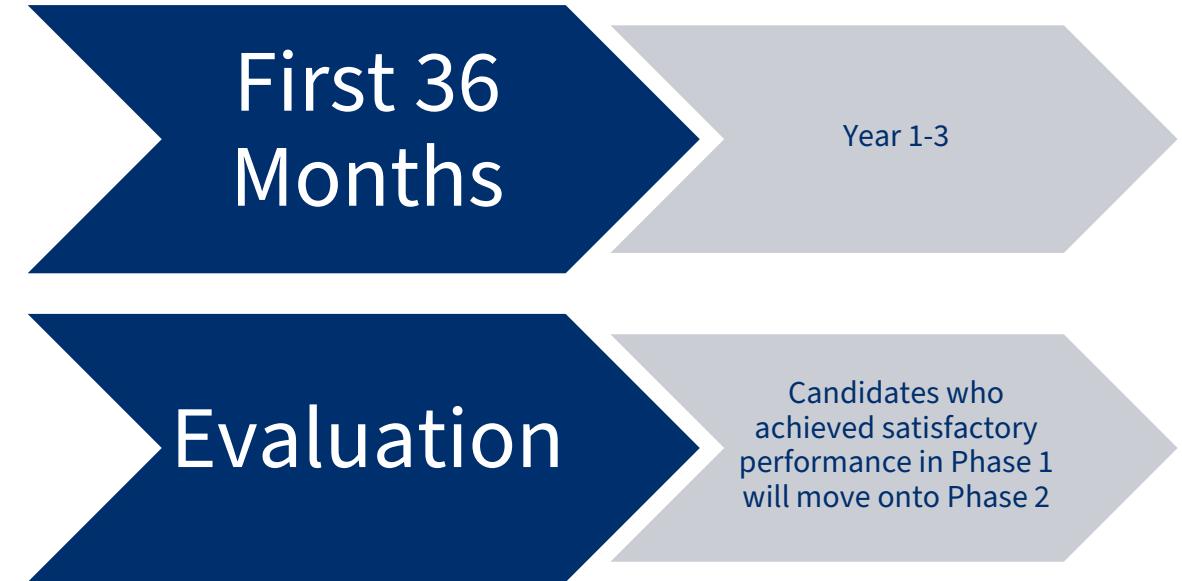

3 Provide leadership and various network coordinating models to Regional COE staff for effective and holistic connections and alignment of strategies and alignment of various regional workforce initiative convenings, trainings, and/or economic development meetings

4 Keep informed of national trends and regional funding opportunities and provide routine updates and action-planning sessions

5 Support each of the Regional Centers of Excellence to focus on adult learners, work-based learning experiences and achieve apprenticeship and baccalaureate expansion goals

# Statewide Center: Phase 1

- Oversee and support the development of the work of the Regional COE to ensure center goals and objectives are met.
- Serve as a subject-matter expert for the Chancellor's office to coalesce the work of the Regional COE into a statewide strategy for workforce and economic development through community colleges.
- Support the Regional COEs with contextualizing LMI/Next Generation student-centered data by integrating data from the colleges across the regions and disaggregating data for stronger equity considerations, and the prioritizing of actions and strategies.
- Enhance the capacity of Regional Centers of Excellence by supporting approaches for deploying staff to colleges for technical assistance and professional development that ensures high quality offerings.

Additional information can be found in the RFA in the section:

- Goals, Expectations, Roles, and Functions of the Statewide Center

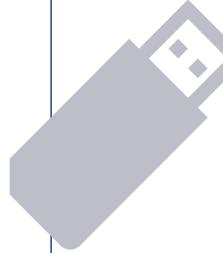

California  
Community  
Colleges

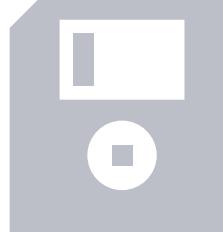

# Statewide Center: Goals – Phase 2

Next 24 months (Year 4-5)

Focus: expanding services at the Chancellor's Office and Regional COEs

Expand state-level and Chancellor's Office-level data functions to inform system performance and continuous improvement by being a liaison with the Office of Innovation, Data, Evidence and Analytics (Research and Data Division) in the Chancellor's Office to align data and metrics more efficiently.

Provide coaching to Regional Centers of Excellence staff by building network coordination that supports the regions in expanding their partnership development and facilitation capacity. This focus on network coordination can better align proof of concept and pilot projects at the regional level for implementation.

# Statewide Center: Expectations

The statewide center will help drive and be held responsible for improving overall workforce outcomes identified by the Vision 2030 and will play a key role in the development of workforce goals and metrics.
