§ 55052.5. International Baccalaureate and College Level Examination Program Examinations.

The Chancellor, in collaboration with the Academic Senate for the California Community Colleges, shall develop policy guidelines on the minimum passing scores for the International Baccalaureate and/or College Level Examination Program examinations. The policy guidelines shall be distributed to community college districts on an annual basis.

Consistent with the above guidelines, the governing board of a community college district shall adopt policies to grant credit for satisfactory completion of International Baccalaureate and/or College Level Examination Program examinations typically recognized by colleges and universities as measuring competencies comparable to those achieved in baccalaureate level courses.

The faculty in the appropriate discipline must approve International Baccalaureate and/or College Level Examination Program examinations, scores deemed to constitute satisfactory performance, courses offered by the college for which credit will be granted, and requirements that may be met by such examinations in accordance with policies and procedures approved by the curriculum committee established pursuant to section 55002.

The student's academic record shall be clearly annotated to reflect that credit was earned through an International Baccalaureate and/or College Level Examination Program examination.
