

Faculty Training Topics

Purpose:

This resource outlines some topics for ideas on orientating and training team members.

Pre-Launch Technology Considerations Unique to CBE

→ What is DA CBE

- ◆ Overview of DA CBE and its purpose, how it differs from seat-time based courses
- ◆ Overview of specific program
 - Student experience including term length, financial aid
 - Operational overview e.g. applications, launch, etc
 - Student engagement coach role and purpose

→ Faculty Roles in unbundled model

- ◆ Review relevant contract/ CBA/MOU
- ◆ What is the role of Design, Teaching, and Assessor faculty
- ◆ RSI in CBE
- ◆ Formative assessments vs summative assessments
- ◆ Assessor Faculty:
 - What does it mean to demonstrate Mastery
 - What does grading look like in DA CBE
 - Practice assessment norming

→ Technical and systems training

- ◆ Canvas course orientation
 - What can be changed, what should be changed
 - Mechanism for feedback
- ◆ Other systems in use

→ Student progress tracking in DA CBE

- ◆ Establish regular feedback opportunities for faculty to share feedback about student progress
- ◆ Explain student engagement and tracking process
