

Launch Phase Workload Awareness Chart

Purpose:

This resource highlights whether different faculty and staff are impacted by ongoing changes during the Launch phase. Many direct assessment CBE decisions overlap, so some stakeholder groups will be engaged in implementation across more areas. This chart does not include an exhaustive list of all stakeholders, but is comprehensive.

	Admissions and Records	Academic Deans	Operational Deans	Enrollment Mgmt	Financial Aid	Faculty	IT System Managers
Academic Calendar	X	X	X	X	X	X	X
