AB 1111: COMMON COURSE NUMBERING FUNDING SUMMARY

2021-22 State Budget (one-time funds)

\$10,000,000 shall be provided on a one-time basis for the Chancellor's Office to allocate (1) (d) to a community college district to establish a workgroup that supports the development and implementation of a common course numbering system for the community college system, for the purpose of easing student course selection, promoting timely program completion, and streamlining the transfer process.

To the extent feasible, the workgroup established pursuant to paragraph (1) shall align (2) the proposed common course number system with course numbering systems at the California State University and University of California. Any funds not expended to support the workgroup established pursuant to paragraph (3) (1) shall be used to implement a common course numbering system for the community college system.

AB 183 (2022-23) Higher Education Budget Trailer Bill (one-time funds)

SEC. 56. (a) For the 2022–23 fiscal year, the sum of one hundred five million dollars (\$105,000,000) is hereby appropriated from the General Fund to the Board of Governors of the California Community Colleges for allocation to community college districts to assist with the adoption of, and transition to, a common course numbering system pursuant to Section 66725.5 of the Education Code.

(b) Funds allocated pursuant to subdivision (a) may be used for, but are not limited to, all of the following purposes:

- (1) Aligning existing course curricula to a common course numbering system.
- (2) Updating course catalogs and other digital course registries.
- (3) Supporting faculty costs associated with course differentiation and curriculum approval.
- (4) Campus communication efforts to inform students of revised course numbers and curricula.
