RE: Notice of Intent to Award – English Language Learner Healthcare Pathways Funding

This memorandum is a formal notification of the intent to award for the English Language Learner (ELL) Healthcare Pathways funding by the Chancellor's Office Workforce and Economic Development Division.

The Chancellor's Office, in partnership with the California Department of Education, invited eligible California Adult Education Program (CAEP) consortia to apply for the ELL Healthcare Pathways funding solicitation. Under the Governor's Care Economy Workforce Development Package, the Budget Act of 2022-2023 included a one-time appropriation of Proposition 98 funds to support healthcare-focused vocational pathways for English language learners (ELLs) across all levels of English proficiency as part of the Adult Education Program while addressing regional economic healthcare needs. The intent for this three-year-investment is to support Adult Education programs in developing healthcare-focused vocational pathways, including bridge programs, across all levels of English proficiency.

Grant Awards

Outlined in Table 1 are grant awards sorted by region, consortium, funding status, and award amount.

- "Funded" indicates consortia who have submitted an approved application and met eligibility requirements.
- "Not Funded" indicates consortia who were invited to apply but did not submit an application or chose to withdraw.

Reporting Requirements

Grantees are required to report bi-annually on expenditures in [NOVA](#), the Chancellor’s Office grant management system. The duration of Round One funding is for 24 months and is expected to begin July 1, 2023, through June 30, 2025. Outlined in Table 2 are the reporting deadlines. Dates may be subject to change.
