California Community Colleges **Receipt and Expenditure of Lottery Proceeds** **by Community College District** **2016-17 Actual**

Pursuant to Section 24.60 of the Budget Act of 2017, attached is the summary of lottery receipts and expenditures as reported by the local community college districts for fiscal year 2016- 2017. This information is based on reports submitted to the Chancellor's Office by all 72 community college districts on the CCFS-311, Annual Financial and Budget Report. The districts determine locally how to spend lottery revenue, except for revenue allocated for the sole purpose of purchasing instructional materials by Proposition 20, the Cardenas Textbook Act of 2000.

Lottery revenue for 2016-17 was \$227.6 million, or about \$192 per student workload measures (FTES)*. These proceeds, plus the beginning balance of \$59.3 million, made a total of \$286.9 million of lottery revenue available for community colleges during the year. Lottery expenditures for 2016-17 totaled \$218.7 million, resulting in a \$68.3 million ending balance as of June 30, 2017.

Lottery expenditure summary:

Salaries and Benefits \$57.7 million	26.4% of total
\$11.4 million Instructional Activities	
\$46.2 million Support and other activities	
Supplies and Materials \$40.7 million	18.6% of total
\$37.4 million Instructional Activities	
\$3.3 million Support and other activities	
Other Operating Expenses & Services \$110.4 million	50.5% of total
\$11.2 million Instructional Activities	
\$99.1 million Support and other activities	
Other – equipment, deferred maintenance, library books, financial aid, etc. \$9.8 million	4.5% of total
\$5.9 million Instructional Activities	
\$3.9 million Support and other activities	

*Lottery payments are based on prior year full-time equivalent students (FTES). Therefore, 2016-17 calculations are based on 1,186,428 FTES from 2015-16
