Gainful Employment (GE) Reporting Requirements

Institution must annually report information on students who were enrolled in a GE program for each award year

Gainful Employment (GE) Reporting Requirements

By October 1, 2011 all colleges must report:
2006-07, 2007-08, 2008-09, 2009-10, and
2010-11 award year information

For subsequent years annual data submissions are due on each October 1st

Gainful Employment (GE) Reporting Requirements

Important Note: While the regulations provide that the deadline for institutions to report GE Program information for the 2006-2007 through 2009-2010 award years is October 1, 2011, the August 2, 2011 Federal Register notice provides that the Department will continue to accept information from these earlier award years through **November 15, 2011**, the same date as the reporting date for the 2010-2011 award year. The Department will continue to accept the information into NSLDS without penalties or sanctions to the institutions until November 15 in order to provide institutions with greater flexibility during this first reporting year.

Gainful Employment (GE) Reporting Requirements

If unable to report any of the required information, the institution must provide an explanation.

Gainful Employment (GE) Reporting Requirements

- CCCCO MIS will create a “potential” cohort and the detail records for each reporting year
- Data will be posted on the Data on Demand Site
- Institution may then use, modify, or ignore the data files
- CCCCO will **not** be submitting the files for the institution

Gainful Employment (GE) Reporting Requirements

Data on Demand Site

- Login/Password Protected
- Use Research or MIS credentials

Gainful Employment (GE) Reporting Requirements

The screenshot shows the 'Data on Demand' website interface. At the top, it says 'CALIFORNIA COMMUNITY COLLEGES CHANCELLOR'S OFFICE'. Below that is a navigation menu with tabs: 'Logout', 'Overview', 'Referential', 'Pre-Allocation', 'Accountability', and 'Custom Student Data'. The 'Accountability' tab is selected, and within it, 'Gainful Employment' is highlighted with a red arrow. On the left, there is a 'CONTACT INFORMATION' section listing Myna Huffman and Tom Hobert. The main content area is titled 'Accountability Overview' and contains text about ARCC Data Files and Perkins Core Indicator Data Files.

If there is no SM record reported, then if SB14 is D, E, G, H

Gainful Employment (GE) Reporting Requirements
