Evaluation Feedback Survey

# Background

- ◆ASCCC Noncredit Task Force
- ◆The method for measuring progress in noncredit
- ◆The interplay of proof of progress and funding
- ◆The role of CB21 coding
- ◆The need for progress indicators in noncredit

## Rationale

- ◆ Establish clear communication between institution MIS reporting and noncredit programs - provide the Chancellor's Office and other stakeholders with clearer evidence of student success
- ◆ Demonstrate, through statistics, that noncredit students progress
- ◆ Report an accurate picture of noncredit student progress statewide
- ◆ Validate the enhanced funding for noncredit Career Development and College Preparation (CDCP) courses

# Noncredit Progress Indicators

- ◆ **Grades A through F** - Currently being used in some noncredit programs (HS diploma programs and some CTE programs)
- ◆ **Pass (P)**: Satisfactory completion of course
- ◆ **No Pass (NP)**: Less than satisfactory completion of course
- ◆ **Satisfactory Progress (SP)**: Satisfactory progress towards completion of course - Specifically designed for the open-entry/open-exit instructional delivery system

## Note:

- Assigning progress indicators as “grades” - currently optional
- BOG approval for SP into Title 5 § 55023 as a grade value for noncredit programs
- Collected and submitted to MIS by institutions at their will

# Classroom Assessment: Measuring Learning Gains (Multiple Measures)

- ◆ Test data demonstrating learning gains (quizzes, midterms, finals, etc.)
- ◆ Course-level SLOs
- ◆ CASAS, TABE, and other standardized assessments showing progress and learning gains
- ◆ English Literacy and Civics (EL Civics) assessments
- ◆ Faculty's evaluation of a student's participation and demonstrated classroom performance (attendance, class projects, presentations, writing samples, etc.)
- ◆ Portfolio approach

# Portfolio Assessment (ESL)

<p>Comments: Thank, your writing is better than your speaking. I can see that your speaking and vocabulary is getting better through your performance. Good job!</p> <p>Recommendation: Please try not to miss class. You have a lot of absences. Also, try to speak more in class and outside of class as well.</p>	<p>Comments: Thank, I'm impressed! You work very hard to improve your speaking. Now, we can have conversations!</p> <p>Recommendation: Good job! Continue to practice speaking English. Good luck in level 1.</p> <p><input checked="" type="checkbox"/> Advance to next level → P</p> <p><input type="checkbox"/> Repeat current level</p>
