About DEETAC

Established by Board of Governors Standing Order 409, the DEETAC advises the Chancellor's Office on the vision, policy and planning in support of distance education and educational technology. DEETAC's primary goal is improvement in student access and success through instructional technology in the classroom, hybrid courses and distance education. DEETAC will identify best practices in the development and evaluation of distance education and other instructional offerings utilizing instructional technology and recommend guidelines and regulatory changes.
