1. Give positive consideration to each of the following characteristics in an application:
 - A. Aligned programs serving unduplicated pupils
 - B. Programs that the K-12 Selection Committee, in consultation with the consortium, determines most effectively meet the needs of the local and regional economies.
 - C. Programs serving pupils that have higher than average dropout rates
 - D. Programs located in an area of the state with a high unemployment
 - E. Written in Local Control Accountability Plans

Pathway Improvement Proposal Criteria (continued)

When determining Pathway Improvement allocations under the K-12 component of the Strong Workforce Program, the K-12 Selection Committee shall:

1. Give positive consideration to programs that:
 - A. Successfully leverage existing structures, requirements, and resources of Perkins, the California Partnership Academies, workforce development boards or the Agricultural Career Technical Education Incentive Grant.
 - B. Include contributions from industry, labor, and philanthropic sources.
 - C. Make significant investments in programs for students, sustainable career technical education infrastructure and classroom equipment.
 - D. Operate within rural school districts

Conditions of Funding

As a condition of receiving funds, Pathway Improvement allocation recipients shall do the following:

1. Certify to the K-12 Selection Committee that grant funds received and the matching funds contributed by each local educational agency shall be used solely for the purpose of supporting the program or programs for which the grant is awarded.
2. Make expenditure data on career technical education programs available for purposes of determining if the grant recipients have met the dollar-for-dollar match requirement specified in subdivision (c) of Section 88828, and for monitoring the use of funds provided pursuant to Section 88827.
3. The Controller shall include the instructions necessary to enforce the requirements pertaining to the K-12 component of the Strong Workforce Program in the audit guide required by Section 14502.

Policies and Procedures

- LEA Default Policies and Procedures
- All fiscal policy and regulations adopted by the applicable LEA

Match Requirements

1. Provide matching funds for any grant funding received from this program as follows:
 - A. For regional occupational centers or programs operated by joint powers authorities, one dollar (\$1) for every one dollar (\$1) received from this program.
 - B. For local educational agencies, two dollars (\$2) for every one dollar (\$1) received from this program.
2. The local match may include funding from school district and charter school local control funding formula apportionments pursuant to Section 42238.02, the federal Carl D. Perkins Career and Technical Education Improvement Act of 2006 (20 U.S.C. Sec. 2301 et seq.) or its successor, the partnership academies program pursuant to Article 5 (commencing with Section 54690) of Chapter 9 of Part 29 of Division 4 of Title 2, the agricultural career technical education incentive program pursuant to Article 7.5 (commencing with Section 52460) of Chapter 9 of Part 28 of Division 4 of Title 2, or any other source, except as provided in paragraph (3).
3. That local match shall not include any funding received by the applicant from the California Career Pathways Trust established pursuant to Section 53010, or the California Career Technical Education Incentive Grant Program established pursuant to Section 53070.
4. An applicant's matching funds shall be used to support the program, or programs, for which the applicant was awarded a grant.
