RE: Updated Fall 2022 Workforce and Economic Development Division Contacts

Greetings Colleagues,

We would like to inform the colleges that the Chancellor's Office has updated the Workforce and Economic Development Division's (WEDD) contacts for regional monitoring. For our most up-to-date WEDD contact information, please visit the [WEDD Contacts webpage](#) and [Regional Monitors webpage](#).

We encourage you to continue using the [NOVA Help Desk](#) to submit requests if you forget who your assigned monitor is. The system will automatically route your request to the appropriate monitor. We also encourage you to share any staffing changes within your region with the appropriate monitor. We thank you in advance for your cooperation.

Below are the program monitor assignments and their respective Administrators.
