RE: 2023 Classified Employee of the Year Awards

The Board of Governors, in partnership with the California Community Colleges Chancellor's Office, is pleased to announce the 2023 Classified Employee of the Year Awards. The awards recognize and celebrate classified staff throughout the community college system that exemplify the *Vision for Success* and a demonstrated commitment to equitable student outcomes in their local community.

Classified employees are nominated by their colleagues using the [nomination form](#) and the Board of Governors Classified Employee Award [Criteria](#) as a guideline. Each district can submit one (1) nominee to the Chancellor's Office with an endorsement from the local Board of Trustees. A complete nomination packet should include a nomination form with nominee contact information and the signature of the Board President. We encourage CEOs to support your Board of Trustees in sending a district nominee for this prestigious award. All nominations should be sent to the Chancellor's Office via email or postmarked by **March 30, 2023**, using the information below.
