RE: Report on California Community Colleges Allied Health Programs Clinical Placement Report 2022-23

Dear Secretary Contreras:

Pursuant to California Education Code Section 88826.5, the California Community Colleges Chancellor's Office and the Board of Governors for California Community Colleges (Board of Governors) are pleased to release the report pertaining to the Allied Health Programs within California community colleges for academic year 2022-23.

As required by Code, this comprehensive report encompasses details on clinical placements, categorized by program and occupation. It includes licensing information for each clinical training site, the number of students participating at each clinical training site and student proficiency in languages other than English.

If there are any questions about this report, please contact Anthony Cordova, Vice Chancellor, at ACordova@cccco.edu.

Sincerely,

A handwritten signature in black ink that reads "Sonya Christian". The signature is fluid and cursive, with the first name "Sonya" and last name "Christian" clearly legible.

Sonya Christian, Chancellor

Enclosure: Report

CC:
Sue Parker, Chief Clerk of the Assembly
Office of Legislative Counsel

SUMMARY	78

EXECUTIVE SUMMARY

In September 2018, the California Legislature passed [Senate Bill \(SB\) 1348](#), which requires the California Community College Chancellor's Office (Chancellor's Office) to report additional information about clinical placements for degree and certificate programs in allied health. The reporting requirements began with seven programs in 2019-2020, affecting 134 individual programs at 80 individual community colleges across the state. Nine additional programs were added to the reporting requirement in 2020-2021, with all remaining allied health programs included in 2021-2022.

SB 1348 was sponsored by the labor union, Service Employees International Union, United Healthcare Workers West (SEIU-UHW). It is based on concerns that: 1) proprietary schools were utilizing unfair competitive practices to dominate regional clinical training slots, and 2) large healthcare providers may not be training their fair share of the future healthcare workforce. The new reporting requirements mandate schools collect identifying data on the healthcare providers that host students, how many students each site hosts, and what languages those students are proficient in other than English. These languages include ASL, Amharic, Arabic, Armenian, Bulgarian, Chinese, Farsi, French, Guarani, Hindi, Hmong, Italian, Korean, Krahn, Lebanese, Luganda, Malay, Pangalatok, Portuguese, Punjabi, Russian, Samoan, Spanish, Swahili, Tagalog, Tigrinya, Turkish, Ukrainian, Uzbek, Vietnamese, and other.

This report details the data collected for 44 allied health occupational programs, with each program reported using a unique [Taxonomy of Programs \(TOP\) Code](#). The programs included in this report have at least one educational program or have students enrolled in credit courses at a California community college. 75 California community colleges have submitted data that is included in this report.

BACKGROUND

SB 1348: Postsecondary education: allied health professional clinical programs: reporting became law in September 2018. It introduced new reporting requirements focused on generating data about clinical placements for educational providers that offer degree or certificate programs across the allied health professions in California. The statute reflects the division in oversight between California's public and private universities: Section 1 of the new law targets community colleges in the state regulated by the California Department of Education, and Section 2 targets private institutions regulated by the California Bureau for Private Postsecondary Education within the California Department of Consumer Affairs. While the requirements in the two sections are similar in their overall objective, the reporting requirements for California Community Colleges covered in Section 1 are significantly less comprehensive than those required of private institutions. As the California Community Colleges Chancellor's Office is issuing this report, the report will focus exclusively on impacts Senate Bill 1348 will have on California community colleges, as defined in Section 1.

REPORTING REQUIREMENTS FOR CALIFORNIA COMMUNITY COLLEGES INTRODUCED BY SENATE BILL 1348

SB 1348 requires that the Chancellor's Office report data describing the number of students receiving clinical training at individual clinical sites on an annual basis. For purposes of standardization, specific requirements about how to identify the clinical sites are included in the legislation. The data collection requirements are as follows:

1. Counts of clinical trainees by site
 - 1.1. "The number of students participating at each clinical training site."
 - 1.1.1. "This shall include information about proficiency in languages other than English."
2. Identifying information about clinical sites
 - 2.1. "License number of each clinical site"
 - 2.1.1. "If the license number is not available, the report shall include the employer identification number of the clinical training site."

Section 1, "c" mandates that all disclosures be done in compliance with all applicable state and federal privacy laws. As presented above, collection of the data required for compliance does not require links to individual identifiers and can be accomplished without triggering additional data security and privacy measures.

This report details the data collected for 44 occupations, with each one reported as a unique Taxonomy of Programs (TOP) Code. These occupations represent a broad variety of skill levels, educational attainment, and economic achievement. The programs included in this report have at least one educational program, or have students enrolled in credit courses, at a California community college.

Table 1 list the occupations included in this report along with their educational program name and TOP codes.

TABLE 1: OCCUPATION TITLES, PROGRAM NAMES AND TOP CODE

Occupation Title	Program Name	TOP Code
Substance Abuse, Behavioral Disorder, & Mental Health Counselors	Alcohol and Controlled Substances	2104.40
Athletic Trainers	Athletic Trainer	1228.00
Cardiovascular Technologists and Technicians	Cardiovascular Technician	1213.00
Nursing Assistants	Certified Nurse Assistant	1230.30
Medical Assistants	Medical Assistant	1208.00
Medical Assistants	Clinical Medical Assistant	1208.10

Occupation Title	Program Name	TOP Code
Medical Assistants	Administrative and Clinical Medical Assistant	1208.20
Community Health Workers	Community Health Care Worker	1261.00
Dental Assistants	Dental Assistant	1240.10
Dental Hygienists	Dental Hygienist	1240.20

Community Health Workers	Gerontology	1309.00
Medical and Health Services Managers	Hospital and Health Care Administration	1202.00
Medical Records Specialists	Health Information Coding	1223.10
Health Information Technologists and Medical Registrars	Health Information Technology	1223.00
Healthcare Support Workers, All Other	Health Facility Unit Coordinator	1208.30
Home Health and Personal Care Aides	Home Health Aide	1230.80
Medical Equipment Preparers	Hospital Central Service Technician	1209.00
Social and Human Service Assistants	Human Services	2104.00
Licensed Practical and Licensed Vocational Nurses	Licensed Vocational Nursing	1230.20
Massage Therapists	Massage Therapy	1262.00
Clinical Laboratory Technologists and Technicians	Medical Laboratory Technology	1205.00
Morticians, Undertakers, and Funeral Arrangers	Mortuary Science	1255.00

Occupation Title	Program Name	TOP Code
Occupational Therapy Assistants	Occupational Therapy Technology	1218.00
Health Technologists and Technicians, All Other	Orthopedic Assistant	1214.00
Pharmacy Technicians	Pharmacy Technology	1221.00
Phlebotomists	Phlebotomy	1205.10
Physical Therapist Assistants	Physical Therapy Assistant	1222.00
Health Technologists and Technicians, All Other	Polysomnography	1211.00
Psychiatric Technicians	Psychiatric Technician	1239.00
Nuclear Medicine Technologists	Radiation Therapy Technician	1226.00
Radiologic Technologists and Technicians	Radiologic Technology	1225.00
Respiratory Therapists	Respiratory Care/Therapy	1210.00
Healthcare Support Workers, All Other	School Health Clerk	1224.00
Speech-Language Pathologists	Speech Language Pathology and Audiology	1220.00
Surgical Technologists	Surgical Technician	1217.00

The following pages will offer a brief profile of each occupation along with relevant data. The language data reported for each clinical site does not indicate the number of students at the site. Instead, it represents the languages that students have self-reported as proficient.

The table will present the data reported using the following format:

- Each clinical site reported and their license number or EIN (as available)
- The total number of students at the clinical placement site for the 2022-23 program year, and
- Information about proficiency in languages other than English.

The following sources were also used to describes each program:

- DataMart – the number of programs in the California Community College, indicated by *.
- Community College Pipeline – the number of students enrolled in credit courses related to the occupation; indicated by use of **.

OCCUPATION TITLE: SUBSTANCE ABUSE, BEHAVIORAL DISORDER, AND MENTAL HEALTH COUNSELORS

Substance abuse and behavioral disorder counselors are paraprofessionals who advise people who suffer from alcoholism, drug addiction, eating disorders, or other behavioral problems. They provide treatment and support to help the client recover from addiction or modify problem behaviors.

TABLE 2: TOP CODE 2104.40 – ALCOHOL AND CONTROLLED SUBSTANCES

Alcohol and Controlled Substances represent 41 programs in the California Community Colleges.* In the most recent year, 7,320 students were enrolled in credit courses related to this occupation.** Programs reported 127 clinical placements for students in these programs. Among the clinical placements, languages other than English included American Sign Language, Chinese, Spanish, Tagalog, and Other.

OCCUPATION TITLE: ATHLETIC TRAINERS

TOP CODE 2104.40 – ALCOHOL AND CONTROLLED SUBSTANCES

Athletic trainers specialize in preventing, diagnosing, and treating muscle and bone injuries and illnesses.

Athletic Trainer represents 15 programs in the California Community Colleges. * In the most recent year, 3,057 students were enrolled in credit courses related to this occupation.** Programs reported 0 clinical placements for students in these programs.

OCCUPATION TITLE: CARDIOVASCULAR TECHNOLOGISTS AND TECHNICIANS

TABLE 3: TOP CODE 1213.00 – CARDIOVASCULAR TECHNICIAN

Cardiovascular technologists and technicians operate special equipment to create images or conduct pulmonary or cardiovascular systems tests.

Cardiovascular Technician represents 3 programs in the California Community Colleges.

* In the most recent year, 193 students were enrolled in credit courses related to this occupation.** Programs reported 116 clinical placements for students in these programs. Among the clinical placements, languages spoken other than English included the following: Arabic, Chinese, Farsi, Spanish, Tagalog, and Other.
