RE: 2022-23 and 2023-24 Dual Enrollment Report

Dear Secretary Contreras,

Education Code sections 76002 and 76004 require the California Community Colleges Chancellor's Office to prepare and submit a report each year on 1) the number of special part-time and special full-time equivalent students (FTES) claimed by each community college district for the preceding academic year and 2) College and Career Access Pathways (CCAP) data. These sections require the following report data:

Education Code Section 76002 – Special part-time and special full-time equivalent FTES claimed for:

- A. Noncredit (Table 1a: 2022-23, Table 1b: 2023-24).
- B. Nondegree-applicable (Table 1a: 2022-23, Table 1b: 2023-24).
- C. Degree-applicable, excluding physical education (Table 1a: 2022-23, Table 1b: 2023-24).
- D. Degree-applicable physical education (Table 1a: 2022-23, Table 1b: 2023-24).

In addition to the above, the statute requests the number of systemwide summer session students with passing grades for multiple fiscal years and by year-to-year percentage change (Table 3), as required by Education Code section 48800.

Education Code Section 76004 – CCAP partnership data for:

- A. Total number of high school pupils by school site enrolled in CCAP, aggregated by gender and ethnicity (Tables 7a and 8a: 2022-23, Tables 7b and 8b: 2023-24).
- B. Total number of community college courses by course category and type and by school site (Tables 9a: 2022-23 and 9b: 2023-24).
- C. Total number and percentage of successful course completions, by course category and type and by school site (Tables 9a: 2022-23 and 9b: 2023-24).

Chancellor's Office

1102 Q Street, Sacramento, CA 95811 | 916.445.8752 | www.cccco.edu

D. Total number of full-time FTES generated by CCAP partnerships (Table 4).

E. Total number of students served online from CCAP partnerships (Table 10a:

2022-23 and Table 10b: 2023-24).

Community colleges serve special part-time and special full-time students through multiple dual enrollment programs. Programs are offered primarily through College and Career Access pathways partnerships (CCAP), Non-College and Career Access pathways partnerships (Non-CCAP), and Early and Middle College High School programs.

The information obtained from the Chancellor's Office Management Information Systems (MIS) for CCAP partnerships is by district and college. MIS does not require districts or colleges to report high school site data; therefore, the CCAP data provided in this report includes district and/or college but does not identify participants high school site.

The FTES data included in the tables is consistent with the data reported in the Chancellor's Office Data Mart; however, Data Mart FTES varies from the FTES reported for funding purposes due primarily to differences in timing of submissions between the two reports.

For any questions regarding this report, please contact Chris Ferguson, executive vice chancellor for Finance and Facilities Planning, at Chris.Ferguson@CCCCO.edu.

Sincerely,

A handwritten signature in black ink that reads "Sonya Christian". The signature is fluid and cursive, with the first name "Sonya" and last name "Christian" clearly legible.

TABLE 3 – STATEWIDE SUMMER SPECIAL ADMIT COURSE COMPLETIONS WITH A PASSING GRADE

Table 3 displays the number of systemwide summer session students with passing grades for multiple fiscal years, showing year-to-year percentage change, as required by Education Code 48800.

Students are counted using the standard headcount statuses in place after the start of the COVID-19 Pandemic. Headcount statuses include: A, B, C, E, F, G and H. Passing Grades are considered A, B, C, or P. Counts are deduplicated at the system level.

Summer Session	Number of Special-Admit Pupils Passing Courses (enrollment)	Change From Prior Year	Percent Change from Prior Year
2016	36,607		
2017	43,450	6,843	18.7%
2018	47,546	4,096	9.4%
